GREENBUSHES FUN RUN OPEN FOR REGISTRATIONS

Registrations are now open for the 2016 Greenbushes Fun Run on Sunday May 15 which will raise funds for Breast Cancer Network Australia.

A registered National Families Day event, the run is promoted as being a great way to enjoy the picturesque forests around Greenbushes while raising money for charity.

There is a short 5 km course which offers participants the opportunity to run or walk and a longer 10 km (approximate) run. Both begin and end at the Greenbushes Sports Complex.

There are categories for juniors (U17), Adults (17-49) and Veterans (50+).

Registrations can be made on line through the Blue Chip Timing Website or at a manual registration day on Saturday May 14 between 2 and 4pm or there will be a short window of opportunity for manual registrations on the morning of the event from 7:30am. With the race starting at 8:45am people are asked to register ahead of the day if possible. **See the flyer in this edition.**

Greenbushes Fun Run committee member Shannon Hartwell and her tiny dog Lewis are already in the training the event which begins and ends at the Greenbushes Sports Complex at the town's northern entrance. Proceeds go to Breast Cancer Network Australia.

BALINGUP FIELD DAY EXPECTED TO DRAW A CROWD

Passionate horticulturalist and gardening guru Neville Passmore will be one of the presenters at the 2016 Balingup Small Farm Field Day on April 23.

His talk will feature information about "backyard aquaponics" and more.

Boyup Brook based farmers Andrew and Wendy Gorton will showcase their farm kelpies and give a demonstration of just how well a well-trained dog can handle stock.

With more than 300 exhibits and stalls this year's event is sure to provide something for everyone.

Gates will open at 9:00am and the fun continues until 4:30pm. Tickets cost \$15 for adults and children aged under 16 will be admitted free when accompanied by an adult.

For more information go to the Balingup Field Day website.

NEW PRESCRIPTION DELIVERY SERVICE

Balingup Pharmacy Proprietors Tim Colegate and Kate Wooldridge, CRC Coordinator Angela Cornish and volunteer Vicky Henderson are looking forward to offering the new service

The Balingup Pharmacy, Greenbushes Community Resource Centre and Greenbushes Post Office are teaming up to offer a new service to the residents of Greenbushes—free prescription delivery.

All prescriptions or orders need to be dropped into the Greenbushes CRC before 11am each Wednesday and deliveries returned to the CRC later the same day.

Greenbushes CRC Coordinator Angela Cornish said Rod and Meghan Bunter from the Greenbushes Post Office would assist with deliveries and local resident Vicky Henderson would be a back-up when required.

Balingup Pharmacist Kate Wooldridge and her partner Tim Colegate called in to Greenbushes recently to see the new Health and Wellness Room at the CRC and finalise arrangements for the new service.

INCORPORATIONS ACT CHANGES

Representatives from incorporated community groups are being urged to attend an information session in Manjimup on Thursday 28 April about planned changes to the Associations Incorporations Act 1987.

As a result of the proposed changes to the Act, which come into force on 1 July 2016, every club in WA will have to change their constitution to comply with the new rules.

The Department of Commerce will have representatives in Manjimup on 28 April to inform clubs about the changes and what will need to be done to comply.

The works will be exhibited at Tasty Edibles Café, the historic Greenbushes Road Board building, Greenbushes RSL and the spaces between the buildings.

The march will commence from the RSL Hall on Blackwood Road at 5:50 am and arrive at the Cenotaph at 6:00am for the service and wreath laying ceremony. A Gunfire Breakfast will follow at the RSL Hall.

Community members are encouraged to attend the march, service and breakfast.

The **Bridgetown ANZAC Day** service will commence with a march to the Centotaph in the Memorial Park.

Marchers will gather at the Post Office Carpark at 9:45am arriving at 10am at the Cenotaph for the service. The Bridgetown Red Cross will provide refreshments at the Lesser Hall after the ANZAC service.

The **Balingup ANZAC** commemoration will commence with informal story telling at Birdwood Bridge at 9:30am. The march from the top of the Avenue of Honour starts at 10:30am. The march will end at the Cenotaph with the service to commence at 11:00am. The CWA will have a sausage sizzle and refreshments for purchase after the service.

SCHOOL ANZAC DAY SERVICE

The Greenbushes RSL and Greenbushes Primary School will combine to present an ANZAC Day ceremony at the Greenbushes Cenotaph on Friday April 8 for the community.

People are asked to gather at the Cenotaph on Blackwood Road at 10:40am.

For further information contact the Greenbushes Primary School on 97643535.

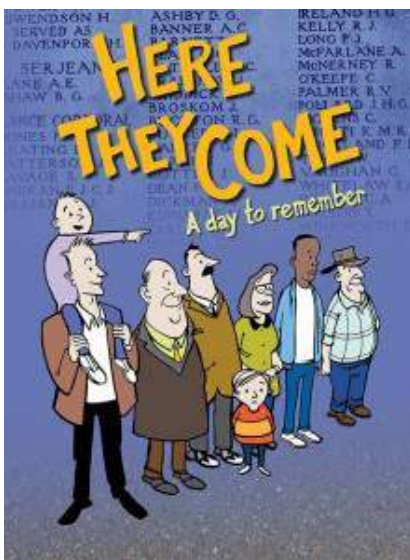

NEW EDUCATION RESOURCE FOR STUDENTS

The Australian Government has developed an education publication for lower primary school students to assist in developing students' understanding of the ANZAC commemoration.

The publication is titled "Here they come: A day to remember."

It explores a variety of characters and their perspectives on ANZAC Day with the aim of helping children understand why many people choose to commemorate ANZAC Day and why it is important to remember the impact of the war on Australian communities.

The publication is supported by education materials that align to the Australian Curriculum: Humanities and Social Sciences. A copy of the resources has been sent to the Greenbushes RSL but the information and resources can be found in PDF format at <https://anzacportal.dva.gov.au/teachers/resources>. There are many resources to be found on this site and you don't need to be a teacher to access the information.

FOREST RIDE POPULAR

Twenty nine riders enjoyed a social ride through the forest around North Greenbushes in March.

The riders were all members of the Donnybrook Horseman's Club which hosts social rides once a month as well as a monthly club ride at the organisation's grounds on the Donnybrook Boyup Brook Road.

After traversing through 20 kms of tracks and byways the group stopped for a lunch of gourmet pizza at the Wattle Ridge Winery in Greenbushes.

For more information about the club's activities call Glen Johnson on 0407 089 902.

BOOK PROMOTION AT BALINGUP

Author Melita Harvey will visit Balingup on Wednesday May 4 to promote her book "Blissfully Dead."

In "Blissfully Dead" the spirit of Janelle meets Melita, a medium and asks her to write down her experiences of the afterlife.

The book talk will be held at the Balingup Recreation Centre on Wednesday May 4 between 10am and 12pm and admission is free.

For further information contact Wendy Trow on 97641464.

Members of the Donnybrook Horseman's Club enjoy gourmet pizza for lunch at the Wattle Ridge Winery after their 20km ride.

The next ride for the Donnybrook Horseman's Club will be the Maranup Ford Greenbushes ride on April 16 and 17. This includes a sunset ride, overnight stay at Maranup Ford Caravan Park and a morning ride. Contact Shannon : shannonleighburn@hotmail.com

New members are welcome to join the brigade or go along to the training sessions which are held on Wednesdays at 5:30pm. For more information contact Greg Kennedy on 0427 577 821.

The re-developed Bridgetown Swimming Pool will be officially opened on Friday 15 April. This official opening will bring the project to a close, with the community now able to enjoy the new facilities. The pool will remain open until April 25 for this season.

It was great to see the Greenbushes Tennis Courts were used as part of the Bridgetown Easter Tennis Tournament in April.

A large Marri tree adjacent to the school has been trimmed to reduce risk from the dead foliage and also to improve the health of the tree. The tree is between 300 and 400 years old and as such is a magnificent tree worth looking after. Bollards will be installed shortly to re-open access to the alleyway.

New signage will be installed shortly at the Greenbushes Pool to designate camping and no camping areas which should reduce congestion during busy periods.

EVERYONE WELCOME AT THE COMMUNITY GARDEN

Wonderful news! Greenbushes Community Garden has been successful in the latest round of funding through the State Government Community Gardens Grant Program. We applied for funding to purchase large flags to put up at the front of the building when we have activities and open days or to put on our gazebos when we are out and about at Field Days or other events.

The flags will be blank canvasses for our local craft ladies to brighten them with motifs in what we are passionate in promoting. We'll include some veggies, flowers, a native bee or two and some frogs to highlight our commitment in providing habitat for all creatures small and smaller in our garden. Thanks to Debbie Walsh and everyone involved in the grant application, can't wait to see how they look.

Our first Community Morning Tea with a Produce/Crop Swap last month was a great start with a scrumptious array of fresh produce and pickles. We will continue to have these on the first Saturday of every month at 9:30 am. The summer glut is coming to an end in our gardens, however there's always something you can bring along to contribute to the table—pickles, plants, seedlings, seeds, gardening magazines, baked goods just to name a few. For April's morning tea we will be supporting the Greenbushes Pink Fun Run by donating any money from sales or donations to the Breast Cancer Network Australia.

The Greenbushes Primary School children from pre-primary to Year 2 came to the garden earlier in March. Their task was to observe. Good observation is the key to a successful garden. Their favourite spot was our Bug-ingham Palace and they were lucky enough to see a native bee buzzing around its nest. We're looking forward to seeing their artistic interpretations of our garden when they visit next.

Our committee recognises that diversity in our members and volunteers is the source of strength, knowledge and success. Do you have a skill or ideas you would like to share? Would you like to run a workshop or hold an information session? Would you like to rent a veggie plot or help us progress the garden with a sustainability project? Inclusiveness is the wonderful community strengthening element to any community garden—therefore every one of yours is important to us. We hope to see you soon for a cuppa amongst the veggies.

Coordinator

Blackwood Basin Group Update

The *Priority Bittern and Waterbird Biodiversity Enhancement Project*, coordinated by the Blackwood Basin Group (BBG), is a four year project, funded by the Australian Government, which aims to create a wetland haven at Schwenke's Dam, Greenbushes, to attract critically endangered waterbirds.

Feral Animal and Pest Control

Work at Schwenke's over the Summer/Autumn period has focused on weed and pest control. Such focused late Summer and Autumn management of pests occurs across the district and is planned to maximise the impact on feral animals.

Recently 25 culls took place across the South West, with a total of 1257 foxes, 653 rabbits, 13 pigs and 57 feral cats removed. Locally 16 participants undertook a cull across six locations in the Bridgetown-Greenbushes Shire. From this 41 foxes and 31 rabbits were removed from the landscape and food chain.

The tally of this cull was held at the Wattle Ridge Winery, Greenbushes, where an impromptu dissection took place. Stomach contents of a select number of foxes revealed meals of figs, blackberries, chooks, lamb, sheep, pre-digested grain (possibly the stomach contents of a sheep), grubs, mice and fur. Discussions also highlighted the need for more landholders to be keen to take part in this annual event.

In addition to private shooters culling pests from the area, a 1080 baiting program was undertaken across the Talison Lithium mine and the conservation zone surrounding Schwenke's dam, Greenbushes. Such an integrated effort of management is a real boon for local fauna and livestock across the district.

To ensure this coordinated front continues there will be a 1080 training and trapping workshop held on the 5th of April, Lesser Hall Bridgetown. The workshop is a free event and open to all interested. Please contact Cheryl Hamence, 0428 723 111.

Macroinvertebrate Open Day

Our wonderful volunteers continue to meet on Tuesday mornings at 9am. With the upcoming winter months we should get more time to process and identify the tiny beasts we've already captured.

We're taking advantage of the school holidays to invite everyone to come in on Tuesday 12th of the first week and bring your children and grandchildren along to see what we do. We'll have the microscope set up to the camera so we can have a closer look at our invertebrates and, if the weather permits, we can take a short trip down to Schwenke's Dam and see how we all go capturing some more.

Invertebrate study is child's play, literally.

The Balingup Small Farm Field Day is coming up very soon, along with the school holidays, so come along and introduce yourself to us when you see us around.

FERAL ANIMAL CONTROL

The Bridgetown Landcare Group is hosting a workshop on feral animal control on April 5 at the Bridgetown Lesser Hall.

The workshop will take place between 9:00am and 1:00pm.

Organiser Cheryl Hammence said the workshop would present options for feral animal control on rural properties including baiting with 1080 and trapping.

"Jason Dearle our DAFWA Biosecurity Officer will be presenting options on feral animal control in local properties including baiting and trapping methods and animal welfare issues and he will go through the 1080 bait training and registration for applicable landholders in the later part of the session," she said.

"Renee Ettridge from DPaw in Kirup will give a presentation on the Western Shield Fox Baiting and Fauna Monitoring Program that happens throughout Western Australia with a focus on local operations," she said.

Ms Hammence is urging landholders and interested people to go along to the workshop. For further information contact Cheryl on 0428 723 111 or email nrmbridgetown@gmail.com.

Aim of the group to provide the avenue for people to meet in a group environment.

Loosely structured, open and welcoming.

Hopefully have a person from each of the towns as a local contact and volunteers welcome.

At present being organised by me, Neil, Steere Street, Bridgetown and contact detail is firstchoice@westnet.com.au and mobile 0427198861.

There are a lot of people out there looking for social contact and look forward to hearing from them.

If interested in joining the group there is a bring your own everything BBQ to be held in Bridgetown 12:30pm Sunday April 10, need to contact Neil for further information on 0427198861.

THE LATEST WORD ON RABBITS

The Blackwood Biosecurity Group is calling on interested landholders to sign up for a program to help with the release of a new strain of the rabbit calici virus.

The Department of Agriculture and Food is coordinating a roadshow in May to promote the programme which will include a seminar and support from the Blackwood Biosecurity Group.

Over time rabbits have built up a resistance to the original calici virus strain and the new strain, which is a natural variant from Korea, it is being examined by government regulators before its planned release in Spring 2016 or in Autumn 2017.

Landholders who sign up for the program can get free use of the virus on their properties.

For further information contact the Blackwood Biosecurity Group on 0477 865 545 or email info@blackwoodbiosecurity.org.au.
