GREENBUSHES TIDY TOWNS CLEAN-UP

The Greenbushes Tidy Towns Committee has been out in force in March collecting litter from highways and roads around the town in the quest to reduce rubbish and promote recycling. The litter drive was timed to coincide with Clean Up Australia Day which is held in March each year. Pictured are some of the volunteers - Sharon Edward, Steve Green, Kylie Loney, Amanda Smith and Judy Perks. See inside for more details. *Photo: Leanne Green.*

BALINGUP FIELD DAY HIGHLIGHTS GROWTH

The theme of this year's Balingup Field Day is "GROW" and organisers are hoping for a great turn out on Saturday 6 April 2019.

The event is held at the Balingup Oval from 9am to 4pm with profits from the day to be donated to local community projects.

Adults pay \$15 and children under 16 will be admitted free when accompanied by an adult. For more information go to www.balingupsmallfarmfieldday.com.au.

Check out the Talison marquee. Children can make a pet rock to take home.

GREENBUSHES BELLES POPPY DRIVE BRINGS REWARDS

The Greenbushes CWA Belles have harnessed the enthusiasm of community members and other branches around the South West in their quest to create 5,000 poppies for ANZAC Day. The drive has fostered friendships with members from other branches and resulted in a wonderful gift for this year's ANZAC Day at Greenbushes.

Thank you to Sharon Edward and Leanne Green for providing the photographs and words for this page.

The ROAD TRIP...

We (Ann Stallard & I), went on a road trip to the Darkan CWA to collect their massive contribution of 653 poppies.

We had a lovely morning tea together. We (Ann Stallard, myself and Kathy Irvine), then headed to Augusta CWA and spent the day crocheting, networking and eating (they put on a massive spread).

We have now 4,000 poppies received from all over the State and we are certain that we will hit the 5,000 mark by the deadline of 2nd April.

Yarloop CWA members also visited Greenbushes in March to bring their contributions and to have lunch at the Shamrock Hotel with local Belles.

We have had numerous chill n chats at the branch in the last couple of months, madly crocheting and sewing. Mary Iacopetta and Leanne Green have been working on the ANZAC lettering.

We will present the finished banner to the Greenbushes RSL for the 100 centenary. Everyone will get to see the finished product covering the fence behind the cenotaph at the dawn service.

The Poppy Project has inspired many people to learn a new craft - namely crocheting.

CABARET AT GREENBUSHES ON MAY 4

May is shaping up to be a busy month in Greenbushes with several events on the calendar including the Fun Run and MTB and a Cabaret at the District Hall on May 4.

The Cabaret, a fundraiser for the Royal Flying Doctor Service, will feature the music of local band Retrosonic. The dance gets underway at 7:30pm and costs \$15 a single and \$30 for a family.

People are asked to take their own supper (tea and coffee provided and a Bar will be open). Get behind this event and support RFDS.

For table bookings and other information call 97643418.

MINE NEWS - Craig's Corner

Myself and Jacqui managed to have a weekend escape to Bunbury mid-month to spend some quality time with our son, daughter-in-law and grand-puppy. This was our first real opportunity to spend some time wandering around and exploring Bunbury and we were blessed with great weather over the weekend.

I had the privilege of attending the South Regional TAFE 2019 Student Awards Ceremony late in the month to present an award on behalf of Talison. It was great to see the efforts of the youth of the South West being recognised.

We had the opportunity during March to present the Talison/Greenbushes story to:

- The Governor of Western Australia – the Honourable Kim Beazley AC and his wife – Ms Susie Annus;
- Delegates from the European Union (EU);
- Representatives from Japan Oil, Gas and Metals National Corporation (JOGMEC);
- Members of the Chamber of Minerals and Energy (CME) South West Environment Forum;
- Representatives from the China Nonferrous Metals Industry Association;
- Representatives from accounting firm KPMG;
- Members of the South Bunbury Rotary Club;
- Students from Manjimup Senior High School;
- Students from Kearnan College; and
- Bridgetown Silver Chain Club B.

WA Governor The Honourable Kim Beazley AC with myself and Projects Manager Pat Scallan.

It was great to see the participation of some of our Greenbushes team members in the International Women's Day breakfast held in Greenbushes during March.

A very big thank you to Georgia Tassone and Asha Morris for sharing their stories with students from Bridgetown High School. Talison hosted a tour of the Mine for the students following the breakfast, a highlight of which must have been our very own Peter Brooks (Senior Exploration Geologist) hosting two daughters in the student group whilst also having another daughter (Sharn who works on site) as part of the tour group.

Congratulations to David Fowler who recently celebrated Talison staff with Bridgetown High School Year 10 students.

Dave Fowler with his team mates at the Processing Plant.

his 30 year anniversary of working at Greenbushes – the third employee to reach this milestone this year.

The Company is progressing the detailed design work for the proposed Mine Access Road. The working group, including representatives from Grow Greenbushes and staff from the Shire of Bridgetown-Greenbushes met during the latter part of March to undertake a 50% design review. Talison will now progress to a final detailed design which will be presented to the Shire of Bridgetown-Greenbushes.

Roadworks to extend the slow traffic passing lane from the Mine's Gate 1 to the Western end of Stanifer Street are progressing nicely, although will be good to see the works finished during the latter part of April.

MINE NEWS - Craig's Corner

Commissioning of the new Chemical Grade Processing Plant #2 (**CGP2**) is very near now with first ore planned to be fed through the new crushing circuit in April. Recruitment of processing operators for CGP2 is complete with the new operators being integrated into the existing workgroups. It will be an extremely busy couple of months as we transition out of the construction phase into the commissioning phase.

Talison presented its response to the various concerns raised in the public submissions to the Environmental Protection Agency (**EPA**) in relation to the CGP3/4 expansion project on 21 March. Talison now awaits the decision of the EPA Board.

The mining team is eagerly awaiting handover of their new office facility in the next week or two. Mine activities continue to accelerate in preparation for CGP2 coming on line - the ROM pad for CGP2 is full of ore just waiting for the CGP2 crusher commissioning. Works to lift the embankment of Tailings Storage Facility 2 (**TSF2**) by the mining team are ongoing.

Processing activities have been dogged in recent weeks by a number of unplanned shutdowns which have adversely impacted on the stability of the plant and therefore negatively impacted recoveries. The maintenance teams are working hard to overcome these niggling issues and I look forward to a more sustained performance going forward.

Please RSVP to the Greenbushes CRC on 9764 3575

GREENBUSHES WALKS HIGHLIGHT NOONGAR CULTURE

Noongar culture and traditions were highlighted during a field walk near Schwenke's Dam in Greenbushes in March.

Bill Bennell and Nerilee Boshhammer from Kooyar Wongi led the walk and provided participants with a Noongar perspective on local plant species, traditional practices, bush tucker and tools used by the Noongar people.

The bus driver and bus transport out to Schwenke's Dam was kindly provided by Craig Gray from the CCR Group which provides services to the Greenbushes Mine.

The event was funded by the West Australian Government's Natural Resource Management Programme (supported by Royalties for Regions) Community Stewardship Grants and was part of the Regional Herbarium Project coordinated by Cheryl Hammence and the local NRM team.

Bill Bennell, above, shows the group a plant used as a resource for Noongar people.

BEAUTIFUL BALINGUP GARDEN OPEN TO THE PUBLIC IN MAY

Visit this artistically designed garden in Balingup on Saturday May 4 and Sunday May 5 from 9:00am to 4:00pm as part of the Festival of Country Gardens.

The garden features cottage plantings as well as natives and hardy exotics. At this time of year visitors will enjoy an Autumn display of many large deciduous trees in a blaze of colour, set in a large grassed area with permanent creeks/ponds. A rainforest, interspersed with water lilies leads to the hillside path through 60 cork oak trees which then opens to stunning views.

The garden is located at 57 Grimwade Road Balingup.

Contact Di Whincop 97641130. Entry \$5 for adults, children admitted free. Proceeds to Parkinsons WA research.

HANDOVER HAS HAPPENED

Mary Hockley the first resident of one the two new Vintage Cottages at 6 Spencer St Balingup received the key to her new home on Friday March 8.

"I am thrilled to be moving into my new home right in the centre of Balingup where I feel so safe and comfortable. I am enormously grateful to Vintage for making this happen," said Mary.

Mary is pictured in her new home with Jackie Massey and Trevor Payne.

Vintage will shortly be organising a Home Open event in order to showcase the new cottages. If you or anyone you know might be interested in a lifetime lease for the one remaining unit, please contact Jackie Massey (0407 382 527) or Edgar Hawter (0439641015) for an initial confidential chat.

A Visitor Centre information session is being held at the Greenbushes CRC on the 10th April 2019. Drop in any time between 2pm to 4pm to speak to a Shire Representative.

Mine Access Road

This is an opportunity for you to see what and why the Shire is looking at. There is quite a comprehensive write up in the Insight so please have a look and if you want to know more please attend the information session. Again, if you have something to contribute please discuss this at the information session or give me a call to discuss.

I as a councillor was able to participate in the Mine Access Road discussions which were held in late March to see how we can incorporate the suggestions and ideas presented to the Shire during the consultation period.

This was a very productive session and an updated design will now be completed which will incorporate those suggestions and details identified during the Talison stakeholder engagement meeting.

Some of these changes are significant and will reduce some of the potential impact of the early concept design. Once we as a group are happy with the final draft design it will be published to highlight the incorporated changes.

Tour of the Blackwood

It was good to see the Rotary tour of Blackwood pass through town again this year and by the feedback from the organisers there was a great turnout and raised some serious dollars (\$35,000) for BYA youth mental health program.

I hope you have started to prepare for the Greenbushes Fun Run which is only a month or so away. You can if you are energetic do the 15km MTB ride and warm down with the 10km run...just offering this as an option!

Support from the local businesses is once again fantastic so let us make this a premier fun and healthy activity on our calendar.

Keep in mind that the annual Blessing of the Roads will take place at Bridgetown Memorial Park amphitheatre at 9am on April 10.

SCHOOL LIBRARY OPEN FOR COMMUNITY USE

Learning to read is a building block of learning and the foundation of a good education.

In recognition of this, the Greenbushes Primary School has decided to open its School Library for the use of the community, particularly parents and grandparents.

The Greenbushes Primary School Library will be open to the public on Tuesday and Friday mornings from 9am to 11am. For a small school the collection is impressive and extensive.

The Library is located in the old Police Station building at the southern end of Blackwood Road. Any visitors must sign in at Reception before proceeding to the Library. The school's volunteer librarian Leanne Green will be available to step people through the process and register people as borrowers from the Library.

Support for Mental Health initiatives

The need to ensure support for mental health initiatives has been highlighted recently through a number of avenues. For some, this is all too often close to home. Once again, the annual Black Dog Ride has triggered conversations around depression and suicide prevention. It is important the stigma around mental health issues is removed, so people can more easily seek help and not remain isolated.

Congratulations to all those riders who took part in the Black Dog Ride and showed support for such a wonderful cause.

Two Years of a McGowan Government

As with any government, the McGowan Government has had some ups and downs. I am pleased some of our previous Royalties for Regions projects, such as the Regional Film fund, Southern Forest Food Council, and Manjimup revitalisation have continued to receive support. However, it is disappointing that regional grants have all but disappeared, there are limited opportunities for local governments to leverage state based grants, and small regional centres seem to be forgotten in favour of large metropolitan projects.

Under-employment, unemployment, and stagnant wages growth coupled with high rises in many State Government fees and charges, are having a devastating impact on West Australians. The State Government needs to look at what it can do to help families keep their heads above water.

Busselton-Margaret River Airport

It is very satisfying to see the Royalties for Regions investment in the Busselton-Margaret River Airport result in the opening of the new Freight Hub. This hub provides the opportunity to target new international export markets for South West wine, as well as agricultural and horticultural produce. It is exciting to think that fresh produce harvested in the South West could be on a restaurant table or supermarket shelf in Singapore the very next day. The next step is to convince the McGowan Government to invest in the new passenger terminal so we can attract an airline to schedule direct flights from the east coast. This would be a game-changer for the region and support the development of our tourism industry.

PLANT OF THE MONTH

with Felicity Littleton

Beaufortia squarrosa C.N. “ Sand Bottlebrush”

For years I have heard this referred to as “Sandplain bottlebrush” but with either name, it clearly is a plant that is found growing on lovely sandy areas, along with many other sand-seeking plants. Be aware that this is not a Bottlebrush (the name given to Callistemons). Beaufortias belong to the Myrtaceae family, the same family as a large number of plants including the Eucalypts.

There are really only 3 Beaufortias growing in the South West.

Beaufortia decussata: known as “Gravel Bottlebrush”. Decussate alludes to leaves arranged strictly in four rows, so that no foliage looks like a cross if viewed from the top of the stem. This species is found on gravel rises from Nannup to Denmark, flowering in Spring and Autumn.

Beaufortia sparsa: known as “Swamp Bottlebrush”...has a similar distribution to decussata, but flowers in Summer and Autumn. B. squarrosa also. All these plants have scarlet red flowers.

Picture 1 (below) shows what I thought was an orange form of Beaufortia squarrosa but I am told by a person who has a great deal of knowledge on the subject, that it is Beaufortia aestival. This species really grows North of Perth.

Either way, these plants, named I should have said, after Mary the Countess of Beaufort, look absolutely brilliant in the garden. Beaufortias are flowering now, when not much else is.

With all the discussion of lack of bee food and shortage of honey, these are perfectly designed for this very purpose.

Picture 2 (below) taken on the way to Busselton atop the Whicher Scarp. This is definitely Beaufortia squarrosa.

Beaufortia aestival.

NEW PLANS FOR BRIDGETOWN VISITOR CENTRE

Members of the Greenbushes community are invited to drop into the Greenbushes Community Resource Centre on April 10th between 2pm and 4pm to hear about plans for the future of the Bridgetown Visitor Centre.

A Shire representative will be at the CRC at this time to talk to people about the plans and seek feedback.

If you care about the future of your Visitors Centre drop in and have a chat. Contact the Greenbushes CRC for more information.

Greenbushes Tidy Towns News

Greenbushes has once again registered for the Keep Australia Beautiful Tidy Towns Sustainable Communities competition for 2019.

This continues a long history of the town participating in the Statewide competition, having entered each year since 1996.

This effort culminated in Greenbushes being awarded the Overall State Winner in 2016. Along the way, Greenbushes has benefited from the involvement of the many community groups and businesses whose projects and events have been showcased by the Tidy Towns competition.

The town's 2019 submission is due by 14th June, with judging to follow in late June, early July. This year is the 50th anniversary of the Awards.

The competition covers various categories - Community Action and Wellbeing; General Appearance; Environmental Sustainability and Education and Litter Prevention and Waste Management.

89 bags of rubbish collected

On 24th and 25th March, a litter collection was carried out along the South Western Highway section from the Shire of Donnybrook-Balingup boundary to the Greenbushes Cemetery, including some side roads. It was generally felt that there was more litter than usual, with 89 bags collected. Currently, the litter is sorted and some of the items are able to be recycled, with thanks to our volunteers for sorting the litter.

Thank you to the volunteers who turned out for the pick-up, your efforts are very much appreciated and seeing the clean roadside, even if only for a short time, is worth the effort.

It would be great to see some new faces amongst our volunteers. The litter collections now take place over two days to include a Sunday afternoon and early Monday morning, if you are reading this article and would like to take part, keep an eye out for the next date in this newsletter, or shop posters. Our next litter collection will most likely be carried out prior to the Tidy Towns competition judging in mid to late June, or early July.

If you would like to become involved with Tidy Towns, meetings are held on the first Thursday of each month (excluding January and November) at the Road Board Building on Blackwood Road, commencing 6:30pm prior to the Grow Greenbushes meetings. Please come along or contact Leonie on 0427 643 065 if you would like more information.

FRUITS OF THE LABOUR

Cleaning up the roadsides is a big job due to people thoughtlessly throwing things out of the windows of their vehicles.

These pictures show some of the bags of litter collected and the efforts to clean up the Main Roads bins on the highway where people have dropped litter only to have it spilled out into bushland.

GREENBUSHES STUDENTS GROWING FOOD

Greenbushes Primary School students have their own garden beds and are learning how to grow vegetables with some great results.

Recently the students harvested four large pumpkins which were used to create tasty pumpkin scones (with some assistance from Mrs Pember).

The students have just planted peas and are looking forward to finding some innovative "pea" recipes to try.

CROQUET OPEN DAY FUNDRAISER

The Bridgetown Croquet Club will hold a fundraiser on Sunday April 7 to raise money to replace croquet equipment stolen from the clubrooms.

The club has recently moved to its new headquarters at the Bridgetown Tennis Club from the former croquet greens at Geegelup.

A set of croquet balls was stolen during a recent break-in at the Tennis Club.

The Croquet Club fundraiser is open to all interested people, even those without experience in playing croquet. The games will be followed by an afternoon tea and BBQ.

The action takes place from 3pm-6pm and costs \$10 per person. Children under five years admitted free.

All proceeds will be used to buy new equipment. Contact 0411016881 for further details.

RSL UPDATE

The Greenbushes RSL has a few new members which is pleasing for a small group. If you would like to find out more please contact me.

ANZAC Day is not far away and the Greenbushes RSL will once again be putting on a Dawn Service at the Greenbushes Cenotaph followed by a delicious breakfast.

We are also preparing for our Sub Branch Centenary Celebrations which will be held over the weekend of July 19 to July 21.

Please pass this information on to any ex Greenbushes residents and RSL members who may wish to participate.

Details of the weekend will be published closer to the time.

Our busy bee held on Saturday 23rd March was very successful with most of the 'to-do' list completed.

Several shade screens were donated and erected to protect our morning tea and working areas from sun and rain, additional shelving was added to the container for better storage, donated wood was moved and stacked, pallets were disassembled and stored for future use and a much needed work bench on wheels was completed for use.

Our busy morning was finished off with a social BBQ enjoying the fruits of our labour.

A big thank you to all who turned up to help on the day.

ENDURO WORLD SERIES QUALIFIER AT LINGA LONGA ESTATE

This April 28th sees Linga Longa Mountain Bike Park near Greenbushes host Round 3 of the Enduro World Series Qualifier where some of the best Enduro mountain bike riders in the world will race on one of Western Australia's best tracks.

The event will bring more than 400 riders plus crews to the area for three days of riding with 2 days of practice riding.

The trails are built for Enduro riders. Spectators are well catered for with heaps of easily accessible viewing locations and great vibes throughout the Race Village where the team from Tasty Edibles will cater Breakfast, Lunch and Dinner.

Getting to Linga Longa

Travel down Maranup Ford Road and turn right onto Five Gates Road and proceed for 7 kilometres where you will arrive at Linga Longa Estate.

The main event starts Sunday at 9:30am and will be finished by 1pm.

You never know who you might see...you could be having lunch with two time Number 1 rider Sam Hill !

For more details go to www.wagravityenduro.org/project.

GREENBUSHES TO BRIDGETOWN 2019 SHOPPING BUS RUN

The Community Bus shopping run service operates on alternative Tuesdays from Greenbushes to Bridgetown, and back again! This service is available at a cost of \$8 return to anyone living in Greenbushes who would like to come to Bridgetown.

The bus run operates every second Tuesday departing Greenbushes Roadhouse at 9.00am and leaves Bridgetown Butchers at 11.30am.

Parcels may be deposited in the bus throughout the journey so heavy shopping does not have to be carried.

For more information, please contact Rebecca Redman at the Shire of Bridgetown-Greenbushes Community Services Department on 9761 0800.

Balingup Patches and Craft Group

It is with regret we advise that Balingup Patches and Craft Group are unable to hold the annual Small Farm Field Day Quilting Exhibition this year. Many of our members have been looking forward to exhibiting their Quilts, both large and small, and other Crafts, that has taken them time and dedication to finish for this year's Field Day but it just can't happen. We hope to be able to display some of the quilts at the Art and Craft Affair that is held in May here in Balingup. Keep an eye out for the date and time that will be advertised in the Preston Press.

The Balingup Patches and Craft Group is still very vibrant and hard working and enjoy our Thursdays at the Balingup Recreation Centre commencing at 10.00am with new members and visitors always welcome. If you would like more information please contact:

Rosslyn Price, Coordinator, on 9764 1273 or email: rosslynp@westnet.com.au
