## GREENING GREENBUSHES FOR PLANET ARK

Greenbushes Primary School students are hoping their recent tree planting near the school will result in a showy display of native flowers in future years.

The students planted around 20 species of flowering trees and shrubs as part of Planet Ark Schools National Tree Day in July.

The plants were donated by Talison Lithium. Assistance was also provided by Global Advanced Metals, Blackwood Basin Group and the Tidy Towns Committee.

Each year the students select an area to plant with past sites including the Greenbushes Pool, vacant land near the town's entrance roads and the bush block opposite the school.

See inside this edition for more photos.

## WINTER FESTIVAL WEEKEND AT GREENBUSHES STARTS FRIDAY JULY 31

Greenbushes will turn on music, great food, workshops, line dancing, old time dancing and historical displays during the town's Winter Festival Weekend from Friday July 31 to Sunday August 2. Some of the highlights are listed below.

Tasty Edibles will provide a pizza extravaganza on Friday night and the Shamrock will provide music by popular local entertainer Jodie Boni from 6pm.

On Saturday August 1 the Greenbushes Community Garden will host an open day from 9:30am until 12:00pm and demonstrations on how to construct native bee hives. This is a great one for children. The Uniting Church will also set up a memorabilia and history display at the church on Blackwood Road between 10:00am and 12:00pm.

A line dance will take place on Saturday afternoon at the District Hall between 1:00pm and 5:00pm and this will be followed by a Saturday night Dance which includes the regulars from the Yornup Dances and music by Campfire Country.

On Sunday Tasty Edibles Café Restaurant will have a Secret Cake Club at the café from 10am. Take along your favourite cake and recipe to share. Bookings are essential. After all that indulgence pull on the walking shoes and head off out bush on the Wattle Walk hosted by the Discovery Centre. The walk, featuring information by local botanist Felicity Littleton, gets underway at 1:00pm at the centre, 38 Blackwood Road. Be there prior to departure to register for the free guided walk.

See inside this edition for details about all the events on offer for the Winter Festival Weekend.

## MARION MAKES 50 JELLY BABIES FOR SAMARITAN BOXES

Children in third world countries will unpack a colourful and cuddly jellybean baby in their Samaritan Boxes this year thanks to the crafty expertise of Marion Arrowsmith from Greenbushes.

Marion, who is a member of the Greenbushes CRC Management Committee and keen member of the CRC Knitting Club has just completed her 50th jelly baby after many months of work with the knitting needles.

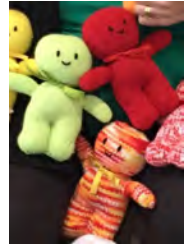

Mrs Arrowsmith said she has enjoyed the project.

"Just before last Christmas Margaret Candido came to me and asked if I could make some jelly babies for the Samaritan boxes we send out from Greenbushes," said Mrs Arrowsmith.

"I said "Yes" and then Margaret said she needed 50 which I hadn't been expecting," she said.

The last little jelly baby was finished on July 21 much to the relief of Mrs Arrowsmith.

"So here they are, ready for Christmas 2015, and ready to go to their happy new homes" she said.

## PHOTOGRAPHS WANTED OF BUILDINGS ON THE RSL HALL SITE

The Greenbushes Discovery Centre committee is wanting to find old photographs of the RSL Hall site on Blackwood Road Greenbushes.

In previous years the site was used for retail including Parish's Store but the Discovery Centre does not have any photographs of buildings that may have been on the site before the current RSL Hall. The Centre has an archive of historic photographs relating to Greenbushes and is always looking for more photographs and information about the history of the district. Eventually this will be included in an interactive heritage display being planned as the next module at the centre.

Photos of the RSL from the 50s, 60s and 70s are also welcome.

The photographs will be scanned in electronic format and returned to donors.

If you can help please contact Debbie Walsh on 97825741 or email [debbie.walsh@talisonlithium.com](mailto:debbie.walsh@talisonlithium.com)

## VOLUNTEERS NEEDED

Megan Papasergio (left) and Nicola Banks enjoy exploring the Discovery Decline replica underground tunnel at the Greenbushes Discovery Centre.

The Greenbushes Discovery Centre is looking for some new volunteers to help out with opening the centre.

At present there are some vacancies on the roster and the committee is putting a call out to the community for interested people to come forward. It is a great opportunity for people to learn more about the district and to gain new skills in customer service.

Volunteers can give as much time as they wish but preferably one shift per month as a minimum. Two volunteers are rostered on for each shift and new volunteers will always be rostered on with an experienced volunteer.

The volunteers open the centre on Wednesdays, Fridays, Saturdays and Sundays between 10am and 2pm. There is flexibility to change rosters with other volunteers if required. To find out more about being a Greenbushes Discovery Centre Volunteer contact Leonie Eastcott on 97825717.

## GRANT OPPORTUNITY FOR COMMUNITY GROUPS

There is a new grant opportunity for not for profit groups through the "Friends of the South West Community". This organisation is offering grants up to \$5,000 or \$20,000 for projects, events, infrastructure and equipment required by community organisations that are not for profit and incorporated. Grants will be offered for projects involving community, the arts, culture, environment, heritage, tourism and sports and recreation. Go to [www.foswc.weebly.com](http://www.foswc.weebly.com)

## WESTLINK BROADCASTS ON SENIORS ACCOMMODATION AND MORE

If you are a senior you may be wondering about when the time will be right to make decisions about your living arrangements or accommodation in the short or long term. Or maybe you have a family member who is considering selling, moving or downsizing.

Making decisions early can save a lot of hassles for yourself and your family. A WESTLINK broadcast at the Greenbushes CRC could provide valuable information to help you in this process.

The Council on Ageing (COTA) Senior Housing Centre will present an overview of some of the most popular options available to seniors via a WESTLINK broadcast at Greenbushes CRC from Monday August 3rd and several subsequent days at 12:00pm, and 3pm. The broadcast is available for any interested members of the community but people must contact the CRC to book in to watch it.

The presenters will talk about retirement villages, renting, aged care, strata titles, reverse mortgages and where to get help.

## TOURISM WORKSHOP AND AGM

The Blackwood River Valley Marketing Association is facilitating a workshop for tourism operators and businesses on Wednesday August 12 at Bridgetown Pottery Restaurant. The guest speaker will be Brianna Delaporte from Australia's South West.

The BRVMA Annual General Meeting will be held immediately after the workshop. Please RSVP to [info@blackwoodrivervalley.org.au](mailto:info@blackwoodrivervalley.org.au) by August 10.

For more information call the Coordinator on 97643575.

For the **Four Wheel Drive** enthusiast WESTLINK will also host broadcasts at the Greenbushes CRC on August 6, 13, 20 and 27 at 10am.

This is an action packed program dedicated to all things 4WD. Get the inside scoop on industry events and stories including education, safety hints and tips, track reports and product tests and reviews.

On Friday August 28 there will be a WESTLINK broadcast at 12pm on **Hearing Loss**. This is being presented by the RURAL IN REACH team. There is now research to show a clear association between hearing loss and reduced cognitive ability.

To find out more about these and other programs you can watch in comfort via WESTLINK broadcast at the Greenbushes CRC contact the Coordinator on 97643575.

## CRC Coordinator's Column

July has been a busy month for the CRC. Fran Bullock, the long time coordinator finished work on June 24 after two and half years of dedicated and diligent work for the community and centre.

Wishing you well in your new job Fran, you are missed.

### School Holiday Programme

Our July School Holiday Program was well attended with all children enjoying the activities on offer.

Twenty children attended the activities held in the first week of the holidays and 24 attended the second week's activities. Sessions included "Taste of Asia" cooking lessons with Tasty Edibles Café, Creative Hoops, Recyclable Art, Rock Painting, Making and Decorating Cakes, Movie and Popcorn, Soft Toy Sewing, Board Games, Table Tennis, Karaoke and more. See facing page for photos from the programme.

### Science Week August

During the holidays children also made knitted brain "neurons" which will be used as part of a Science Week display later this month. Community members are welcome to attend a Morning Tea for National Science Week on August 20. This will take place from 10am to 2pm. Come and see our "brain", enjoy a science quiz and morning tea.

### First Aid Training

Angela Winters ran a successful First Aid Course with 4 participants receiving certificates. Two weeks later Talison employees used the CRC training room for a work based First Aid Program.

### Knitting Club

The Knitting Club members continue to meet weekly and are knitting "up a storm" of baby jumpers, blankets and beanies for charity. Well-done girls!

### Winter Weekend

Molly Hardy with CRC support is coordinating a Memorabilia project.

Work on the project will culminate in a wonderful display of Greenbushes memorabilia photos and items at the Anglican Church on the 1<sup>st</sup> of August as part of the Greenbushes Winter Weekend activities. *Molly, your energy and enthusiasm once you decide to take on a challenge, rocks!* There will be plenty to see and do at the Winter Weekend in Greenbushes which gets underway on Friday July 31 and continues until Sunday August 2. See inside this edition for more about what's on offer over the three days. Join in the fun and support this festival weekend of activities!

Lastly, I wish to acknowledge and commend our committed volunteers who assisted and supported us with the School Holiday Program. You all went above and beyond the "call of duty." Thank you.

The Greenbushes Operations recently achieved 300 days Lost Time Injury Free. The milestone was reached on July 11.

**TALISON** Congratulations to all site personnel for this great achievement.

Several service anniversaries were celebrated in recent months—Lydia Perenzin, Julie Clarke and Ian Perks all celebrated 20 years of service in July with Terry McLean celebrating his 20 years service in June. Sam Hyde achieved 15 years service in June, with Ed Giblett and Russell Forest both celebrating 10 years service within this period.

Talison, Global Advanced Metals, Blackwood Basin Group Staff and community volunteers joined the Greenbushes Primary School for the annual Planet Ark Tree Planting Day on June 30. Shrubs were planted in an area which includes a section of the Mining Heritage Walk. Additional shrubs were planted on the bush block near the school.

## FIRE SAFETY FOR WINTER

More than 1,000 fires occur in homes each winter in Australia and most are caused by fires, heaters or cooking appliances.

There are some basic tips than can help keep you safe in your home this winter.

- keep all items at least 1 metre from fires
- Never leave heaters on in rooms especially in children's rooms.
- Never leave cooking appliances unattended
- Switch off all appliances after use
- Don't hang teatowels near cooking appliances.

Having a working smoke alarm will increase your chances of getting out of your home safely in the event of a fire. Check your alarm regularly and replace the batteries.

## COMMUNITY GARDEN NEWS

It's the **Greenbushes Winter Festival** time again, come along and help us celebrate in the garden on Saturday morning, 2<sup>nd</sup> August. We'll be having a morning tea plus other fun activities for the whole family from 9.30 – 12pm.

Amanda is going to be making her delicious freshly baked scrolls in our pizza oven and we'll have these plus other nibbles and hot cuppas for sale. The money raised will go towards our kid's nature play section of the garden, which is in its final planning stages.

At 10am we're going to be demonstrating how to make a native bee hotel with a quick info session on the native bees that occur here and how to care for them in your backyard.

The Blackwood Basin Group are joining us and will have their macro-invertebrate collection on display with their microscope set up for a close up view. All of these have been collected from around the Greenbushes wetland areas. Felicity, our native plants expert, will have her herbarium also on display to show you the many different plants she has collected from our surrounding bushland.

In other garden news, we recently ran a Fantastic Fruit Trees workshop with Peter Coppin. This was a successful day and we hope the attendees went away with a lot of new knowledge and practical skills.

The garden is looking lush and is thriving thanks to our members and volunteers. We hope you'll pop over for the festival morning to enjoy a cuppa with us amongst the veggies.

The Bridgetown Pool Project appears to be on schedule for opening in December 2015. Various fundraising events are happening including an Old Time Dance on August 22 and a car raffle with limited tickets—only 300 being sold which increases your chances of winning. Tickets available from Greenbushes CRC or from me...my number is 0427643508.

Trails—the West Australian Mountain Bike Strategy has recently been released. This will now pave the way for reviews of regional mountain bike trails and facilities.

New blue trail posts and indicator markers are about to be installed on the various Greenbushes Trails which should improve the navigation on these trails.

## Blackwood Basin Group Update

The *Priority Bittern and Waterbird Biodiversity Enhancement Project*, coordinated by the Blackwood Basin Group (BBG), has continued to make progress with lots of action at the site. The four year project, funded by the Australian Government, aims to create a wetland haven at Schwenke's Dam, Greenbushes, to attract critically endangered waterbirds.

### Wildlife workshop

The BBG's wildlife handling, safety, transport, and first aid course was a great success.

A greatly experienced veterinary nurse and wildlife rehabilitator, Jo Burston from Maroo Wildlife Refuge, gave the 30 participants a real insight into the world of animal handling and how to respond to injured wildlife.

Gloves, towels, pillow slips, and hessian bags are the tools of the trade along with an attitude that can understand the animal's perspective. The group were very appreciative when Greg Kennedy from Talison Lithium gave a pair of gloves to each attendee, thank you Greg!

*Wildlife handling, safety, transport, and first aid course participants*

### Revegetation

Aboriginal group NEEDAC and the Bridgetown Camp School recently planted 1200 seedlings between them at Waterbird Project sites. These seedling will grow to become ideal habitat for Ringtail Possums that have been spotted in the area. "Both groups thoroughly enjoyed planting wetland species and learning how their efforts will benefit native wildlife" says BBG Project Officer Joby Rand.

## Feral animal control

A 1080 baiting program targeting foxes at Schwenke's Dam and on the active mine site is near completion with any remaining baits being collected at the beginning of August. Foxes are a major threat to native fauna species and ongoing control of these pests will enable native wildlife to increase in numbers. A trapping program will also be conducted in August to control pests who did not take baits.

## Wetland invertebrates

The BBG recently purchased some custom made storage and display cases for the volunteer collected wetland invertebrate collection. These cases, made from recycled timber, allow the volunteers to cross reference new specimens with ones already identified and speeds up the processing of samples.

## Get involved

Community engagement is key to the success of this project. We are on Facebook and are keeping our followers up to date with photos and posts of our activities! ## BEING AWESTRUCK IS GOOD FOR YOU

Listening to music you enjoy, watching a sunset or watching your kids play can sometimes leave you awestruck—and that is apparently good for your health. Having too many unpleasant emotions such as shame, depression or anxiety is bad for your health. A new study published in the journal EMOTION has urged people to search for pleasant experiences each day—preferably things that will pass the “goosebump” test. The emotion aroused when being awestruck is good for your health!
