## **WA MUSEUM TO FEATURE DISCOVERY CENTRE**

*WA Museum staff Ros Lipscombe, and Annette Davis and photographer Bo Wong photographing in the Discovery Decline.*

The WA Museum will soon include online information about the Greenbushes Discovery Centre as part of an upgrade to include and promote regional museum collections in the State's new Boola Bardip WA Museum.

A small team from the WA Museum visited Greenbushes recently to photograph items in the collection which will be featured in the new display. The items selected by the museum curator were samples of Greenbushes spodumene (lithium mineral), tantalum and tin; a silver football cup presented to the Greenbushes Centrals team in 1904 with a Greenbushes Centrals Jersey as a backdrop, an Aboriginal digging implement currently housed in the Discovery Forest Display and the vintage bicycle used by the bakery delivery boy (aka local man Don Perks).

## DECEMBER GREENBUSHES COMMUNITY GARDEN NEWS

The Community Garden is ready for summer.

There is always something in flower and the rhubarb and silver beet is ready for harvesting. For a few months now, the garden has held fortnightly busy bees on a Tuesday morning from 9:00am.

Volunteers distributed compost to the raised garden beds, laid out mulch and carpet to protect the trees and plants from upcoming hot days and kept the weeds down.

We also repaired the leaking reticulation and the holes in the netting over the orchard.

We especially appreciated the help of the primary school students in the garden with spreading out mulch and weeding. THANK YOU to all students and teachers.

Tasks are scheduled on the white board at the back of the building, in case you have a spare hour or so.

The committee is also working on planning ideas for 2021 that will feed into a future strategic plan for the Community Garden. Ideas proposed include a Little Free Library, a wishing well, pizza oven, regular market days, workshops and community events with music

and/or a focus on children. If you have good Community Garden ideas for 2021, see us at the garden or send an email to [greenbushescommunitygarden@gmail.com](mailto:greenbushescommunitygarden@gmail.com).

### Come along and join us for our upcoming events

The regular community morning tea and produce swap starts at 10am on Saturday 5 December.

Also please join us for our busy bees on December 15 and 29. We invite you to give us a hand for an hour in the morning, all ages welcome. Let's all enjoy our beautiful community garden.

### Mulch and Shade

Top up mulch on your veggie patches, herb gardens and ornamental beds, especially important if you are heading off these holidays. A hot summer tip is to mulch after watering the patch, to a depth of about 7 cm. Keep mulch clear of plant stems. Especially young seedlings.

As the days are getting hotter, construct a shade structure that cuts out the afternoon sun. Use an old swing-set A frame to tie the shade cloth to.

### Events in your community garden

Busy bees on December 15 and 29 and January 12.

## MUSIC, ART AND CULTURE FEATURE AT NAIDOC WEEK EVENTS

Greenbushes Primary School put on a packed programme of events to mark NAIDOC Week.

The activities started with a concert featuring performers Gina Williams and Guy Ghouse. The duo performed songs in Noongar language with Gina Williams brought to tears when the students spontaneously started singing the words to one of her songs in Noongar language too. This was sponsored by Talison.

Gina then invited the students to join her onstage to sing another song.

Greenbushes students learn Noongar as their Language Other Than English (LOTE) and enjoy Gina's songs as part of their studies.

Josh Whiteland from Koomal Dreaming also visited the school as part of NAIDOC Week celebrations.

He taught students how to throw a boomerang and how to perform a cultural dance. Later he worked with students to install a new mural on one of the classrooms near the entrance to the school. The mural sponsors were SG Mining and a PALS grant through the school.

## CAROLS IN THE PARK AT GREENBUSHES

Local carol singers and musicians look forward to you joining them for a musical extravaganza at the Heritage Park in Greenbushes on Sunday December 13.

The event will be held from **4:30 to 6:30pm** but if the weather is inclement the event will be relocated to the Greenbushes Primary School.

The Carols will feature fun Christmas songs, traditional carols and Christmas stories. You can expect a multi-cultural, family orientated show with carol singing and storytelling.

The songs chosen for the day are well known and fun to sing along with. We will be asking kids to sing fun songs that will have them up on their feet and dancing

Take family, friends, chairs, rugs and a picnic. You will also need your best singing voice and "jingle bells."

We are really excited about bringing you this great "home-grown" event at the end of this crazy COVID year.

The "Tracey's Treats" van will be selling icecreams, milkshakes and other drinks including coffee.

## GREENBUSHES FOLK CLUB PI CNI C—RECORD NUMBER OF PLAYERS I N ALL STAR BAND

*Irma and Lee leading the All Stars at the Greenbushes Folk Club in November.*

*Greenbushes Folk Club is going from strength to strength with record numbers turning out for the November event held at Thomson Park.*

What a musical, inspiring Sunday Folk Club we had in November! You know you are onto something good when 35 people come out in cold and windy weather to listen to acoustic music in the park. Attendees came from as far as Kalgoorlie, Harvey, Eaton and Rockingham, and also from Bridgetown, Boyup Brook and Greenbushes.

Green Herring Duo opened the session performing some originals. An open mic segment followed with musicians sharing originals or covers to an attentive audience. A record number of 12 musicians made up the All-Star band to conclude the event with some bluegrass numbers and two folk classics.

The next Folk Club will be on Sunday December 13 from **2:30 - 4:00 pm** at the Greenbushes Heritage Park on Blackwood Road opposite the Discovery Centre.

This is a free event with all welcome to attend. The "Tracey's Treats" van will be on site for coffee, milkshakes and more.

The event will be followed by Carols in The Park. Contact Greenbushes Folk Club at : [greenbushesfolkclub@gmail.com](mailto:greenbushesfolkclub@gmail.com).

## MINE NEWS - Craig's Corner

Wow, we are fast approaching the end of another year – one which I am sure we will never forget (and hope we don't have to repeat). We can all but hope that 2021 will be a vast improvement on 2020 and that the world can return to some form of normality in the near future.

Myself and Jacqui managed to enjoy a getaway for a week down to Augusta in late November. We have never visited this area before and an enjoyable (albeit chilly) week was had doing a spot of kayaking, bit of fishing (no catching mind you – not even a single bite!!) and lots of relaxing.

On behalf of all the team at Greenbushes I would like to wish all readers a merry festive season and hope you can spend some quality time with loved ones during this period.

November saw the reopening of the Mine lookout. A lot of hard work went into revamping the area and updating the signage and I would like to thank Debbie Walsh and Chantelle McKay (and their myriad of helpers) for all the hard work that they put in. I would also like to thank Barry Perks for officially re-opening the lookout. I think we can all agree that the revamp was well worthwhile.

*Lyn Perks and Megan Moran enjoying the Lookout reopening (above) and Barry Perks performs the official opening (below).*

Talison was again a major sponsor of the Tour of Margaret River Cycle Race for 2020 and despite no stage finish in Greenbushes this year I was fortunate enough to attend the presentation ceremony in Nannup on behalf of Talison. Despite the lack of overseas riders, by all accounts the event was again very successful and I look forward to Greenbushes again hosting a stage finish in coming years.

November saw the drawing of the "Do it for Dolly" raffle. The raffle was a huge success with approximately \$19,000 raised which will go towards mental health, cyber bullying and suicide awareness and education. Congratulations to all the winners and a big thank you to Julie Clarke and Amanda James for their work and to all of our sponsors. Julie and Amanda certainly travelled far and wide and gave freely of their time in their quest to make the raffle a success and we thank them for all their efforts. There were quite a few locals among the winners which was great to see.

This year Talison celebrated NAIDOC Week on site. This was a new initiative and one that we hope will be a regular feature on our Annual Calendar. Site personnel had the opportunity to celebrate the oldest continuing living culture on the planet by attending a Bushtucker tasting (curried Emu Puffs, Buffalo Chorizo, Marinated Kangaroo meat and Quandong Jam and Cream Tarts were just some of the things on the menu). *Mine News continued facing page.*

### MINE NEWS - Craig's Corner

Talison has begun working on an Indigenous Participation Plan (IPP) which will include strategies aimed at fostering Indigenous employment, training, business procurement, community mapping and community engagement. A site based Aboriginal Engagement Committee has been set up to assist with the development and implementation of the IPP.

A big thank you to Talison's Shannon Hartwell who added a special element to this year's Greenbushes Remembrance Day event as she and her horse Sergeant highlighted the role of the Light Horse Troops during past wars. Shannon has been a regular at ANZAC Days past with the Light Horse Troop but this year she attended Remembrance Day with new horse Sergeant (who despite being a first timer, did not put a foot wrong). Sergeant was a big hit with the students in kindy and those attending the service on November 11 which was hosted by the Greenbushes Primary School.

Mining of an eastern cutback of the open pit continues and is progressing well despite the challenges faced in

mining within the upper oxide layers and dealing with old historic mine workings.

The production team has ramped up production to meet increased sales volumes requests from our two customers for the fourth quarter. Process operators returned back to their normal even time roster in early November and recommenced concurrent operation of the Technical Grade Plant (TGP) and Chemical Grade Plant #1 (CGP1) as planned in mid-November.

## VETERAN'S LONG TAN GOLF DAY WIN

*Greenbushes golfer Peter Randolph and his trophy.*

Greenbushes golfer and Vietnam Veteran, Peter Randolph is continuing the tradition of great Greenie golfers with his win in the Long Tan Remembrance Day Golf Challenge in Beechboro in late October.

Peter and his team mate Patrick Sewell took top honours in the event with a net Ambrose score of 64.75.

It is the fourth year that Peter has played in the Department of Veterans Affairs supported event which has been held for the past 17 years.

He says as a Vietnam veteran it is of special significance to him to win the Long Tan Remembrance Day golf event.

"I served in Vietnam in Ordinance in 1968 and it was a difficult year with attacks by the Vietcong being in the TET campaign," said Peter.

Peter said he was honoured to win the trophy.

The Battle of Long Tan took place in 1965 with the loss of 18 Australian soldiers in a hard fought campaign in which the Australians inflicted heavy casualties on the enemy.

Peter is one of a cache of Greenbushes golfers who are keen and talented, including a group who have notched up hole-in-one prowess at the Greenbushes golf course. He says he will keep trying for the elusive "hole-in-one" at the Greenbushes Golf Course.

**If you have a golf story to share please contact the Greenbushes Community Resource Centre to pass on photos and information. We would be happy to publish your story...Ed**

## LINGA LONGA HOSTS GRAVITY GIRLS “TRAIL BLISS 2020”

More than 170 women participated in an inaugural women's mountain bike festival at Linga Longa Bike Park on the weekend of October 24-26.

The women, aged from 18 to 68 with varying skill levels spanning beginners to experienced riders, enjoyed a weekend with like-minded friends in what's believed to be the first event of its kind in Australia.

The new Linga Longa Labyrinth Skills lab area was constructed just in time for the weekend event.

This area of the park has skills progression features to build confidence and ability. The MBT train down Bryman's Blues featured a 2.5km trail with a 157 metres of descent which provided plenty of challenges.

Other highlights included a group of more experienced riders being led over the large Skywalker Drop.

Bike maintenance classes were also well attended with the crew from Bike Collect donating their time.

Catering was provided by Tasty Edibles from Greenbushes with Luke, Shannon and team providing a delicious multiple course banquet. And participants also enjoyed “glamping” in one of Soul Camping's luxury Bell Tents.

The festival was organised by volunteers from WA Gravity Girls and Linga Longa Bike Park. The event was not for profit and many amazing riders from the MTB community helped out. Thank you to all for assisting in making the event a great success.

### FELICITY REVEALS FLOWER FIND IS WEED

When what appeared to be an attractive plant flowered at the Greenbushes Community Resource Centre staff called on the knowledge of local plantswoman Felicity Littleton to identify the plant.

Felicity says the pretty plant is actually a weed called *Verbascum*.

This weed can grow to 2 metres without much effort and is extremely hard to remove.

Felicity will now add this one to her booklet called “Pretty Weeds of the Greenbushes district” to be launched soon.

Weeds are flowers too, once you get to know them  
“AA Milne.”

## TOUR RIDERS VISIT GREENIE

A change of route for 2020 meant the Tour of Margaret River Cycle Race Stage Finish did not occur in Greenbushes but tour riders took time out of their busy schedule to visit students at Greenbushes Primary School.

It has been a tradition since the inception of the event route through Greenbushes for internationally renowned cyclists to call in to the school to talk to students.

Past visitors have included Annemeik van Vleuten, Marianne Vos, Luke Durbridge and Robbie McEwen.

The COVID-19 pandemic put an end to riders flying in from overseas to participate in this year's event but the local cycle fraternity stepped up and made the event a success.

Roger, Kevin Ireland and David Jameson from the Cove Legal team in Perth visited students at the Greenbushes Primary School on Friday November 6.

They brought along some bike parts to show students some of the differences between a cycle event bike and a normal bike - primarily the weight and materials used.

## TIDY TOWNS SUSTAINABLE COMMUNITIES AWARDS 2020

*Judges Maureen Maher and Roselt Croeser with the Greenbushes group members Leonie Letchford, Lyn Perks, Nicole Ward, Gail Aldridge and Nicola Banks at the 2020 Tidy Towns Awards held at Optus Perth Stadium. Absent from the photo are Heidi and Lou Rodgers (pictured below).*

The team from Greenbushes enjoyed a fantastic day out at the Keep Australia Beautiful Tidy Towns Sustainable Communities Awards at Perth Stadium on November 27.

Tidy Towns Coordinator Leonie Letchford invited Greenbushes Community Resource Centre representatives Gail Aldridge, Nicole Ward and Nicola Banks along with local Tidy Towns stalwart Lyn Perks and Young Legend volunteer Heidi Rodgers and her mother Louise to attend to represent the town.

Despite the COVID 19 pandemic, KABC decided to go ahead with the Awards this year with Greenbushes among the nominees for category awards and the Tidy Town of the Year Award.

Although the town did not pick up an award at this year's event there is much to be proud of. Greenbushes was a finalist in the Community Action COVID Pandemic Response category for the CRC support programme for the community and in the Young Legends Category with awards finalist Heidi Rodgers, a St John Ambulance volunteer.

Keep Australia Beautiful Council of Western Australia President Michael Aspinall said he was impressed by the extent to which regional communities participated in the awards this year.

"Forty diverse communities throughout Western Australia (WA) submitted projects across seven categories in this year's awards," he said.

# Rural West.

**SAME SUCCESS FOR MORE PEOPLE**

Rural West is now our overarching brand name, due to the number and diversity of grants that have extended the client base outside of the Rural Financial Counselling grant guidelines. Rural West now includes additional small businesses, not-for-profits, community clubs and other groups that are part of the fabric of regional WA.

**Additional Services**

We now offer the same services to a wider range of clients all under the same umbrella of Rural West

**Identify Pressure Points**

We engage with the client around pressure points of their business to create clarity and focus

## CHRISTMAS GREETINGS

### Farewell 2020

At the start of this year we had no idea the world would change so drastically. COVID-19 has affected nearly every aspect of our lives, including restricted travel, not being able to visit aged care facilities, a revised footy season, unemployment and now a shortage of seasonal workers.

Families, businesses and our communities have all been affected. Western Australia has been extremely fortunate with low cases of COVID and few deaths. This has been a result of our natural isolation, closed borders and good management. We need to maintain hygiene standards and social distancing now the hard borders are changing and be vigilant in our response to any potential outbreaks.

### Energy

I am pursuing options to guarantee reliable power to our towns as regular power outages affect business operations, disrupt families and jeopardise telecommunications. We should be able to resolve these issues through initiatives such as micro-grids and 'behind the meter' batteries using renewable energy technology.

### Water

A recent Parliamentary report highlighted the management and regulation of 'spring rights' by the Department of Water has been inconsistent and confusing. I have stressed to the Minister that these issues are critical to investment confidence in the horticultural sector and need urgent attention. We look forward to a timely government response.

### Merry Christmas and best wishes for 2021

As we look forward to Christmas and end of year celebrations, it is timely to reflect on the importance of family and friends, and appreciate what a safe and fortunate place we live in. I extend my very best wishes to you and your family for a very joyous and safe Christmas, an enjoyable holiday period, and a healthy and happy New Year.

## BALINGUP BENEFITS FROM YOGA

Students at Balingup Primary School are benefiting from a yoga programme introduced at the school in Term Four to assist with wellbeing and reducing stress.

The programme is being run by Bethany Chia from the Balingup Yoga Group and teaches students breathing techniques to cope with stress, relaxation exercises, yoga poses and games to help with reducing stress while promoting fun and enjoyment.

While the programme has benefits for students' health and wellbeing Ms Chia is also hoping that through her yoga group she can raise funds to help the school with a project to install solar panels.

"I have been collecting donations through Balingup Yoga Group and various events and through this fundraising we are hoping to donate a large sum of money to the school to go towards solar panels," said Ms Chia.

"I have felt the need to contribute in a way that is self-sustaining and energy efficient and using renewable energy is one way to power our needs without suffering consequences later. So many houses already have solar, so why not schools?"

### BLUES OF GREENBUSHES

Now, we have all heard of the Bridgetown Blues. Well, here are some Greenbushes Blues.

1. The very beautiful *Lechenaultia biloba* becoming rarer and rarer to find these days due to a number of factors, land clearing, the major one being weeds. It's great in a garden, and native bees are attracted to blue coloured flowers.
2. *Dampiera linearis* named after an early explorer William Dampier. The plant flowers for such a long time – they are gorgeous as a potted plant, and there are many other species of this plant, mostly all blue.
3. *Agrostocrinum stypanroides* (False Blind Grass) With striking blue flowers, this is another sun lover. It tends to flower in the morning sun.
4. *Thelymitra crinita* (Blue Sun Orchid) or Blue Lady Orchid. Luckily, there are loads of them down here, and when the sun comes out, then so do they. They are not called Sun Orchids for nothing. There are many of these in other colours also.

## GREENBUSHES COMMUNITY SHED

Our Community Shed has been successful in receiving funds from Lotterywest for the purchase and installation of an air conditioner in our Shed along with additional lighting installation. These funds will enable us to provide comfortable working conditions for our members during the heat of summer and through the chilly south-west winters. We encourage all community members to call in on a Friday morning during opening hours, meet our committee and Shed members, stay for morning tea and see how much the new air conditioner has changed the environment within our work-space.

### A big THANK YOU Lotterywest!

#### Shed closure

The Shed will be closed over Christmas as follows:  
Closed on Friday 18 December  
Re-open on  
8 January 2021

On Saturday 21 November we held our final Busy Bee for the year.

Thank you to all our members who turned out to lend a helping hand, we managed to give the Shed a good clean, killed far too many redback spiders lurking around the wood piles and created more space ready for all our projects next year.

There are a variety of wooden items on sale at the Community Resource Centre, which include some amazing wooden trucks and other great gift ideas for Christmas.

## KINDNESS CALENDAR: DECEMBER 2020

MONDAY

TUESDAY

WEDNESDAY

THURSDAY

FRIDAY

SATURDAY

SUNDAY

- 1 Share the Kindness Calendar with others and spread kindness
- 2 Contact someone you can't be with to see how they are
- 3 Offer to help someone who is facing difficulties at the moment
- 4 Give kind comments to as many people as possible today
- 5 Make a gift for someone who is homeless or feeling lonely
- 6 Support a charity, cause or campaign you really care about
- 7 Leave a positive message for someone else to find
- 8 Do something helpful for a friend or family member
- 9 Notice when you're hard on yourself or others and be kind instead
- 10 Listen wholeheartedly to others without judging them
- 11 Be generous. Feed someone with food, love or kindness today
- 12 Buy an extra item and donate it to a local food bank
- 13 See how many different people you can smile at today
- 14 Share a happy memory or inspiring thought with a loved one
- 15 Contact an elderly neighbour and brighten up their day
- 16 Look for something positive to say to everyone you speak to
- 17 Practice gratitude. List the kind things others have done for you
- 18 Give away something that you have been holding on to
- 19 Buy locally and support independent shops near you
- 20 Contact someone who may be alone or feeling isolated
- 21 Appreciate kindness and thank people who do things for you
- 22 Congratulate someone for an achievement that may go unnoticed
- 23 Choose to give or receive the gift of forgiveness
- 24 Bring joy to others. Share something which made you laugh
- 25 Treat everyone with kindness today, including yourself!
- 26 Get outside. Pick up litter or do something kind for nature
- 27 Call a relative who is far away to say hello and have a chat
- 28 Be kind to the planet. Eat less meat and use less energy
- 29 Turn off digital devices and really listen to people
- 30 Let someone know how much you appreciate them and why
- 31 Plan some new acts of kindness to do in 2021

Let's look beyond our differences and help each other. Every act of kindness matters

# Greenbushes Community Resource Centre News

It's December already and this is our last edition for the year.

What a year it has been! We would like to thank everyone for their support during this tough year.

Coming up at the CRC we have a Wreath Making Workshop on Saturday 12.12.2020, First Aid Course on Saturday 06.02.2021 and an Autumn Table Centrepiece Workshop in March.

Let's not forget our Christmas School Holiday Program on page 10! We will be making Christmas Cards, Mason Jar Snow Globes, Egg Carton Reindeer and more!

Please let us know if there is a particular workshop or event that you would like us to hold in the future.

Have a fantastic Christmas and we look forward to welcoming you back in 2021

## TO OUR NEW COORDINATOR

It is with great pleasure that the Greenbushes Community Resource Centre Management Committee announces the appointment of Mrs Gail Aldridge as Coordinator.

Gail has been a member of the Management Committee and former Governance Officer for the centre.

We are very pleased to have someone of Gail's experience and commitment as Coordinator of our local CRC and look forward to the skills and enthusiasm she will bring to the position.

## Greenbushes Primary School

is a waste wise school and one of the projects our students have enjoyed setting up is our worm farms.

We are now selling worm wee for \$2 per litre and is available in 1 Litre, 2 Litre or 3 Litre bottles.

Please contact the school on 97643535 to purchase some or for any further information.
