Greenbushes-Balingup Newsletter

Published and Distributed with the kind support of Greenbushes Community Resource Centre, Talison Lithium and Greenbushes Post Office. Established 1984 as an initiative of the Greenbushes Ratepayers and Residents Association.

AUSTRALIA DAY AT GREENBUSHES 2016

Greenbushes community members enjoyed an Australia Day Breakfast in their own town in 2016 thanks to an initiative of the Greenbushes Ratepayers and Residents Association to coordinate the local event.

One hundred and fifty people enjoyed the breakfast and live music by local band Retrosonic on Tuesday January 26th. Pictured above are Andrea Barker and Andy, Greer and Edyn Hardy. It was the first time the town held its own Australia Day celebration and due to its popularity it may become an annual event.

See inside for more photographs from the breakfast.

NEW WEBSITE FOR BALINGUP SMALL FARM FIELD DAY

Preparations are underway for this year's Balingup Small Farm Field Day on Saturday April 23rd.

There is a new website which should be up and running shortly at www.balingupsmallfarmfieldday.com.au. There is a new on-line application form for exhibitors and stall holders on the website. People with queries are asked to use the contact email at exhibitor@bsffd.com.au.

WATER STATION LAUNCHED AT AUSTRALIA DAY BREAKFAST

The Australia Day Breakfast at Greenbushes was the perfect venue for the launch of the new Greenbushes Water Station.

The equipment, purchased with a grant from Tidy Towns Sustainable Communities, provides free filtered water at festivals and sporting events, thereby reducing reliance on bottled water and the waste generated by plastic bottles.

Jazlyn and Maddox Lansdell are pictured left filling up at the water station during the recent Australia Day breakfast.

The Greenbushes Tidy Towns group will be rolling the equipment out at a number of local events and festivals.

GACC ON THE WEB

The Greenbushes Aged Community Committee is now on the web with the launch of a brand new Facebook Page.

The volunteer based committee, which operates the Stinton Gardens Estate accommodation village at Greenbushes, can be found at www.facebook.com/greenbushesagedcommunitycommittee.

Check it out and "Like" the new page.

WOMEN IN BUSINESS GRANTS NOW OPEN

Projects that promote women's economic independence and leadership may be eligible for funding under the 2015-16 Grants for Women Project.

South West MLC Colin Holt said local governments and eligible community organisations could apply for up to \$5,000 to pay for project costs including advertising, printing or child care in the 2015-16 programme.

The programme is open until Thursday March 17 and more information can be found on www.dlhc.wa.gov.au.

BALINGUP PHARMACY OPEN

Balingup has a new business.

The Balingup Pharmacy was officially opened on February 1st by South West MLC Nigel Hallett before a gathering of about 100 people.

Pharmacist Kate Wooldridge and her partner Tim Colegate are the owners of the new Pharmacy. Former Bridgetown Pharmacist Cliff Roberts will also work at the Balingup business two days each week.

Kate has been in Pharmacy since 1999 most recently at Gidgegannup and is accredited to undertake home medication reviews.

The Balingup Pharmacy will be open from 8:30am to 5:00pm Monday to Saturday and 10:00am to 5:00pm Sunday.

POP UP SHOP NETS CHARITY FUNDS

A pop-up shop at Balingup in January raised \$4,203 for the Waroona Yarloop Fires appeal and the One Family project in Cambodia.

Balingup resident Wendy Trow was organising her annual appeal for the Cambodia project when the bushfires struck, leading her to include the bushfire appeal as part of the fundraiser.

People purchasing goods donated to the pop-up shop were able to nominate whether their funds went to the Waroona Yarloop Fires victims or the One Family Project in Cambodia.

As a result \$2,234 was given to the bushfire victims and \$1,969 to the One Family project in Cambodia.

Ms Trow has thanked people for donating goods and for supporting the pop-up shop at Balingup in January.

She will be returning to Cambodia in May/June this year and will assist with the project which raises funds for children in poverty in rural areas such as Danan who is pictured above with her new bicycle.

GHOSTLY HAPPENINGS IN BALINGUP

Balingup locals are gearing up for another night of "strange happenings" as they once again invite people to join them on a walk through the darkness in search of souls long gone.

Yes, the next Balingup Ghost Walk is happening in March and people are invited you to go on a guided tour of the town to meet "ghosts" who tell the story of local personalities who lived in Balingup between 1855 and 1955. Learn about the hardships they endured and be entertained by tales of the social life they enjoyed, in a fun and interactive way.

The walk will be held on:

Saturday 12th March 16

Leaving the Packing Shed at 7.30pm.

Price \$15 adults

6 -16 years \$5.

The cost includes a cup of tea and biscuits in the museum. Children 6 and over must be supervised by their parents. No seniors discount.

The distance walked is less than 2 km and most of the terrain is flat. There are some gravel surfaces so wear enclosed shoes. Take a torch.

This event is run by the Balingup Historical Project Group, in conjunction with Balingup Progress Association & W.Trow. Places are limited so book early by contacting Helen Christensen 97641291 or eiler@westnet.com.au

Special Notices!

The organisers are looking for a volunteer to collate some sound tracks that will further enhance the walk. If you are interested, please contact Helen.

The Balingup Historical Group will be opening their next exhibition, based on the Importance of the timber and railway Industries, in early March so the walk will also offer a great opportunity to see the new display.

BUSHFIRE RESILIENCE & AFTERMATH

Yes, fire season is upon us with the Waroona fires making us all aware of just how devastating bush fires can be and the damage they wreak on communities and wildlife. It is important for us all to ensure we are Bush Fire Ready especially at this time of the year.

If you have not yet collected your Bush Fire Information from the CRC call in now as there are plenty of information packs left which include: DFES information booklets, a comprehensive list of local contact numbers for during and after an emergency, advice for small business, a magnet with emergency numbers and our Emergency Community Information Point Phone Tree which includes pre-season preparation and activation process of our Phone Tree, as well as additional emergency information.

Our emergency information notice board has been delivered and will be erected over the coming weeks, near our entrance on Blackwood Road. Once in place, a map of the local area and all emergency information will be displayed. In the instance of a fire the area / areas under threat will be noted on the map and all information received from the Shire or DFES will be prominently displayed.

Blackwood Basin Group Update

The Priority Bittern and Waterbird Biodiversity Enhancement Project, coordinated by the Blackwood Basin Group (BBG), is settling into the new year nicely. New workshops and programs are being organised as we speak and our two new project officers have hit the ground running. The last few weeks have been filled with the planning of various activities and work on the wetlands around Greenbushes. The four year project, funded by the Australian Government, aims to create a wetland haven at Schwenke's Dam, Greenbushes, to attract critically endangered waterbirds.

Margaret Jakobson and Kristen Mappin

Two new project officers have officially joined our team. Margaret Jakobson and Kristen Mappin recently started at the Blackwood Basin Group to help continue the wonderful progress made on the wetlands around Greenbushes.

Margaret is an Environmental Scientist and Entomologist who has been working with us as a volunteer with the macro-invertebrate group for the last 2 years.

She has experience with working with community groups in the past and will be continuing that role here with us by coordinating the volunteer group in Greenbushes, running activities for interest groups such as Scouts, schools, and community groups, and presenting at and coordinating conferences and workshops.

She is available for inquiries on Mondays and Tuesdays on 9765 1555 or you can email her at Margaret@blackwoodbasingroup.com.au. Margaret "I am most looking forward to working with the community in an area that I am passionate about."

Kristen has a background in Botany and community based conservation. She shall be managing the field works of the project such as weed and pest control, flora surveys and rehabilitation plantings.

One of her first tasks is the development of a cockatoo workshop and feral fox control programs. Kristen says "I feel very privileged to have discovered a project that is local and using my expertise. I am looking forward to working on the project and developing my knowledge as the project continues to grow."

Should you need to contact Kristen she will be available on Monday, Tuesday and Thursday on 9765 1555 or you can email her at Kristen@blackwoodbasingroup.com.au

Get involved

Community engagement is key to the success of this project. We are on Facebook and are keeping our followers up to date with photos and posts of our activities! Like the Blackwood Basin Group's Facebook page today for updates on programs and workshops running in your local area in the coming months. If you're not on Facebook, jump on our website at www.blackwoodbasingroup.com.au or contact the BBG office on 9765 1555 or email Margaret@blackwoodbasingroup.com.au to register your interest in our email updates network.

For any further information or to be involved in the project, please contact Margaret Jakobson on 9765 1555

Blackwood Basin Group Update

Cockatoo Workshop

The wonderful Tegan Douglas, the Forest Black Cockatoo Project Coordinator from Birdlife Australia will be coming to Greenbushes on the 22nd of February to talk to interested community members about all three of our black cockatoos.

Tegan will show us how to tell the difference between Baudin's, Carnaby's, and the Forest Red-Tailed Black Cockatoos based on appearance, call, foraging behaviour and forest signs.

She will then talk about how to record our observations on their activities and finally, what we can do to help. This workshop will consist of a walk then a talk with morning tea provided.

Warning Sign for 1080 Baiting which will be taking place in Greenbushes from 15 February to 18 March 2016.

1080 Baiting

A number of measures are being put in place to reduce fox numbers in the Shire of Bridgetown-Greenbushes prior to lambing season.

Fox baiting will be undertaken across the Talison tenements from the second week of February (Feb 15) to 18 March 2016 which means that there will be 1080 poison active in the area for the next two months. The areas affected include Schwenke's Dam, Austin's Dam and Southampton Dam. More details are available on public notice-boards in Greenbushes including the CRC.

It is very important to ensure all pets are kept away from the area. In late March we will be holding a training day for the use of 1080, so watch this space for more details in the near future.

Annual Red Card Fox Shoot

Red Card is a community based feral animal control program that operates across the agricultural regions of Western Australia. We are asking local Landholders to shoot foxes and feral animals on their property on the 4th & 5th of March all across the Bridgetown-Greenbushes Shire. The final tally shall take place on Sunday the 6th. The goal of this event is to get all participants working together for maximum impact on pest numbers and, combined with the baiting scheme, we hope this will be a great chance to make a positive impact on the upcoming lambing season. The final count will be held on Sunday 6th and will include breakfast. You can register with Kristen Mappin at the Blackwood Basin Group on 9765 1555 or email Kristen@blackwoodbasingroup.com.au

Friday, February 12th will feature local musician Tracey Barnett talking about her music life. Friday, February 19th will feature a movie and discussion. Friday, February 26th will feature Glen Burston from the Maroo Wildlife Refuge. Contact Danni Roberts on 0447713368 for details about Club B.

MINE NEWS

Talison has contributed \$165,000 to the Bridgetown Swimming Pool Redevelopment Project, to match funds raised by the community (\$65,000). This was a great community fundraising effort and Talison is proud to support the development of this fantastic community facility.

In January, Talison welcomed four trainees and two apprentices to the site - Alexandra McDonald, Blake Bailey-Ganner, Dylan Spicer, Kyle Foan, and Jamie Kennedy. We wish them well during their time at the Greenbushes Operations.

MOUNTAIN BIKE RIDE A HIGHLIGHT OF SCHOOL HOLIDAY PROGRAMME AT CRC

Twenty three young people from the Greenbushes area attended a mountain bicycle skills day at Pemberton Camp School in January, thanks to a grant from the RAC and support from the Shire of Bridgetown-Greenbushes.

The activity was coordinated by the Greenbushes Community Resource Centre and offered school aged children the opportunity of experiencing mountain bike riding in the Karri forest in Pemberton. The group were taught skills for safe handling and riding of bicycles on a variety surfaces, including gravel then went out on an hour long ride around the forest before heading back home.

This initiative was proudly supported by the RAC's Community Sponsorship Program

Greenbushes CRC Coordinator Angie Cornish said it was fantastic to be able to take the group to somewhere they would otherwise not have been able to experience, as a day out at a price affordable for all. The event also included lunch, transport, an opportunity to learn new skills, make new friends and have FUN.

"We were really pleased with the response to the activity and the feedback we received from the kids and their parents. Holding an similar event in the future is definitely something we would like to do," she said.

COMMUNITY GARDEN PROJECT POPULAR DURING THE SCHOOL HOLIDAY PROGRAMME

Painting at the Community Garden. The new nature play area at the garden was the subject of some art make-overs during the January school holidays. More perfect weather for painting in the garden.

Thanks to Tracy Lansdell and her amazing designer team (Toni Candido, Andy Hardy, Edyn Hardy, Peta McGhie and Jamie Kennedy from the CRC) a design was ready to go when the kids arrived to help paint the concrete play equipment. The plain drain covers now look amazing – thanks everyone who contributed. What a great effort!

RALLY HO!

All the participating venues are in place for the 2016 Rally in the Valley and the organisers are looking forward to a fun event for the whole family.

The "Rally in the Valley" is a guided, interactive self-drive tour of the region run throughout the month of April. It features recommended stops of interest for visitors and locals alike.

Participating businesses in Greenbushes include the Greenbushes Discovery Centre and local businesses. It is hoped there will be increased visitors to the town during April as people rally around the Blackwood River Valley region.

The Rally offers excellent family-fun, a wide range of diverse attractions and "pick-your-own" experiences.

From Lake Tawerrinning in the north to Donnelly River Village in the south, east to Boyup Brook and west to Sues Road and all places in between, there are plenty of diverse attractions to interest and inspire visitors and locals alike.

Entry to the event this year is FREE and with a \$700 total prize pool, this a great opportunity to explore the Valley and put yourself in the running to win. Entry forms will be available from a number of outlets in the Blackwood River Valley and from each of the Visitor Centres.

The Blackwood River Valley Marketing Association is proud to have the support of the South West Development Commission, the Donnybrook-Bridgetown Mail, the Shires of Boyup Brook, Nannup and Donnybrook-Balingup and Australia's South West for this year's event.

Pat's Patch...Cr Pat Scallan

The Australia Day Breakfast held in Greenbushes this year was a great success, with approximately 150 people sharing breakfast in Thomson Park. Music by local band Retrosonic set the relaxed atmosphere. Thank you to all of those people who attended and because of this great response, we will now get planning underway for 2017.

Fundraising for the Bridgetown Swimming Pool Redevelopment has been finalised, with a total of \$230,000 being raised for this project. Well done to everyone involved in raising these funds for such a worthwhile community facility.

A reminder to all community groups that the deadline for Community Grants and Service Agreements is approaching in February. Applications must be received at the Shire Office by 4pm on 26th February.

LOCAL YOUTH BENEFIT FROM TALISON TRAINEESHIPS

Six young people from the district have been selected to take on traineeships or apprenticeships at Talison Lithium's mining operations in 2016.

Pictured left are Alexandra McDonald of Greenbushes (Laboratory Trainee), Blake Bailey-Ganner of Greenbushes (3rd Year Light Vehicle Workshop Mechanical Apprentice), Cora Introvigne of Bridgetown (Allied Health Trainee) Dylan Spicer of Kirup (1st year Mechanical Apprentice) and Kyle Foan of Donnybrook (Supply/Logistics Trainee).

Jamie Kennedy (pictured left with her father Greg Kennedy) of Greenbushes has been selected as the Administration Trainee in a shared position with the Greenbushes Community Resource Centre.

The traineeships are being supported by a range of registered training providers including the South West Institute of Technology and the Great Southern Institute of Technology.

It is the fifth year that Talison Lithium has provided traineeship opportunities for young people throughout the district.

This is in addition to vacation work for University students, work experience for school aged children and electrical and mechanical apprenticeships. Talison Lithium General Manager Greenbushes, Pat Scallan, said the 12 month traineeships offered young people nationally recognised qualifications and experience of the work environment.

LOCAL VISITOR CENTRES BENEFIT

Bridgetown Visitor Centre will benefit from a boost to its funding through the Royalties for Regions and Tourism WA funded Regional Visitor Centre Sustainability Grants.

Warren Blackwood MLA Terry Redman said Nationals WA had delivered on a key election commitment to increase funding and support for regional visitor centres with a total of \$1.1 million put towards funding 39 regional visitor centres in the first year of the grants programme.

The programme will see a total of \$4.2million invested in regional visitor centres over the next three years with Round Two to be launched in March 2016.

Under the grant programme accredited Visitor Centres and local government authorities are eligible for grants between \$10,000 and \$100,000 while non-accredited centres working towards accreditation will receive grants up to \$40,000.

The programme recognises that tourism is a driver of the State's economy.

CORENA Quick Win Projects

People from all over Australia chip in to CORENA's revolving funds so we can give interest-free loans to pay for solar installations and energy efficiency measures at community organisations. The loans are repaid out of the resultant savings on power bills, so it doesn't cost the community organisation a cent.

Loan repayments from completed projects and new contributions from all over will help fund solar panels at Greenbushes Community Resource Centre.

Chip in to be part of it!

BEAN BAGS MADE TO MEASURE AT SCHOOL HOLIDAY PROGRAMME

Greenbushes CRC offered Bean Bag making on Wednesday, January 27th, from 10:00am – 2:00pm - a creative experience where imagination was the only barrier.

Some very beautiful bean bags were designed by the kids, some were taken home to complete, some taken home for the final sewing up and some ready to use.

Marion Arrowsmith, Edna Fryer & Edie Ross made a great contribution helping with design ideas and machine sewing when required. Thanks also to Mark Lavelle from Mark's Upholstery and Tiger's Treasures for providing some materials.

Yes we had a few hiccups with the sewing machines! If anyone has a machine they no longer need, is in working order and they would like to donate it to the CRC please contact Angie for collection. I'm sure a few more school holiday sewing programs would go down a treat!

Keep an eye out during the next school holiday programme to see what exciting things are on offer at the CRC. Don't forget the CRC is also open after school on Wednesdays till 5pm should your child like to do some supervised homework, reading or research on the computers.
