Greenbushes-Balingup Newsletter

Published and Distributed with the kind support of Greenbushes Community Resource Centre, Talison Lithium and Greenbushes Post Office. Established 1984 as an initiative of Greenbushes Ratepayers and Residents.

2018 FUN RUN OUR BIGGEST YET

Jessica Keith, Jess Foster and Ebony Keith at the Greenbushes Fun Run & MTB 2018 where warm weather contributed to a record turn out of competitors across all categories.

The 2018 Greenbushes Fun Run and MTB event broke the record for entries with 301 people registering across all categories this year.

The previous highest recorded number of registrations was 238 in 2014.

The 2018 event also raised the highest total for charity so far with a total of \$16,210.

Of this \$11,919 will be donated to the South West Autism Network and \$4,290 to Breast Cancer Network Australia (BCNA).

The fine weather made for perfect conditions at this year's event.

288 people participated on the day with some people choosing to register to donate rather than compete.

The most popular event remains the 5km walk/run category but entries were up across all events this year.

Records toppled in the Mountain Bike event (MTB) but many historic records still stand in the other categories. *For more information and photos see inside this edition.*

TIDY TOWNS JUDGES VISIT IN JUNE

The Greenbushes Tidy Towns Committee is hosting judges from the Keep Australia Beautiful Tidy Towns Awards on 25 June 2018.

Tidy Towns Committee Coordinator Leonie Eastcott said the Judges would be looking at the general appearance of the town as well as specific projects noted in the 2018 portfolio submitted at the end of May 2018.

Tidy Towns will organise another of the scheduled litter pick-ups for June prior to the Judges' visit. Watch noticeboards and Facebook for details of when and where you can help with the litter pickup on the highway.

Volunteers are very welcome to help out and gloves and vests will be supplied by the Tidy Towns group.

MINERS SUPPORT SCHOOL ART

Pictured in the school art room, with students art exhibited around the walls are, (left to right) Adam Harris, Stuart Stevenson, Fiona Willis, Ross Cook, Craig Dawson, Peter McSweeney and Principal Chris Mott.

Students at Greenbushes Primary School are enjoying art with a specialist art teacher thanks to sponsorship from the Greenbushes Mine and contractors.

Talison Lithium, Global Advanced Metals, SG Mining and MSP Engineering have stepped in to provide funding for the school to employ Fiona Willis after the Education Department funding was no longer available.

Acting Principal Chris Mott invited representatives of the companies to visit the school on Thursday May 30 to see first hand the benefits of the project.

He said Mrs Willis was a great coup for the school and had achieved fantastic outcomes with the students in her time working at the school.

Mrs Willis has been teaching art in schools since 1981 with 20 years spent as teacher and artist in residence at Rosalie Primary School in Shenton Park. She first taught as a relief teacher at Greenbushes in 2017 after moving to the Bridgetown area in 2016.

Impressed with the work that she did with the students the school was keen to keep her services in 2018, however due to lack of funding this seemed unlikely until the partnership between Talison, GAM, SG Mining and MSP Engineering.

Mrs Willis said she hoped to increase children's self esteem through artistic expression.

She said success in the art room translated to success in the classroom.

"If you have music and art in your life you always have somewhere to go," she said.

An investment in knowledge pays the best interest...

BENJAMIN FRANKLIN

NEW PRINCIPAL IN THE SEAT

Greenbushes Primary School's new Principal Chris Mott plans to build on the good work of staff and the community to improve the programs and practices at the school.

Mr Mott was appointed Acting Principal of the school in May and replaces Kay Kuzich who is on extended leave.

Prior to his move to Greenbushes Mr Mott was Deputy Principal at Bridgetown Primary School where he has been based for the past 13 years.

He brings to Greenbushes Primary School a wealth of experience - more than 22 years in teaching including working at remote schools in the Kimberley and out near the Western Australian border with South Australia and Northern Territory.

Mr Mott trained to be a teacher at Edith Cowan University and had his first posting to Kalamunda but within a few years he accepted a posting to a remote school.

The transition to country teaching was made easier because during his childhood Mr Mott lived in a number of regional towns when his father worked for the Police Department.

He says working in metropolitan and country schools has taught him to be resilient and flexible.

"I learned to take on a range of roles and value all the people who make up a school including staff, parents, kids and community," said Mr Mott.

Mr Mott, wife Kate and four children enjoy country life in the Bridgetown - Greenbushes Shire.

He is a strong advocate for public schooling.

"My children are at Bridgetown Primary School and Bridgetown High School and I am also a product of public schools," he said.

"It's been impressive in my first four weeks to see the quality of expertise and community support of the school. One example of this is Fiona Willis' work through the Art Programme, kindly funded this semester by Talison Lithium, SG Mining, MSP Engineering and Global Advanced Metals," he said.

"It's key things like this that make public schools fantastic places for students to grow."

Mr Mott's community involvement includes volunteering for St John Ambulance (now in his 12th year as a volunteer and trainer), membership of the Bridgetown Greenbushes Roadwise Committee and involvement in junior sports including umpiring local football and basketball.

In his spare time Mr Mott enjoys amateur bee-keeping and has a hive in his garden for home use.

HISTORIC MASONIC LODGE UPGRADE

One of the oldest buildings in Greenbushes, the Masonic Lodge, has had a facelift.

The Masonic Lodge was formed by founding members GM Williams and HG Keyser on September 19, 1907 and the land to construct a hall was purchased around that time for just £20.

The building was constructed in the early 1900s with some additions taking place up until 1924.

Members of the Masonic Lodge were happy to have the services of a pre-release work crew from Bunbury Prison over several weeks to help carry out the much needed work to the internal and external walls of the building.

It took the workforce of four people approximately 16 working days over 4 weeks to complete the job.

The fretting mortar has been replaced and the exterior walls rendered.

The interior walls of the building were in need of some restoration.

The finished product shows the building's interior has been transformed.

The finished building shows a fantastic transformation.

"The three great essentials to achieve anything worthwhile are : first, hard work; second, stick-to-itiveness; third, common sense."

GREENBUSHES BELLES NEWS with Karen Browne

Greenbushes Belles CWA will celebrate 2 years as a branch on 23rd June, and what a 2 years it has been!

We have been involved in community events, fundraisers, hosted chill & chat sessions, monthly branch meetings, provided meals for local families, donated money to many causes, volunteered at the Blues, attended CWA events near and far, hosted CWA events and partnered with other community groups.

We have never felt we had to work alone, have received very generous support from local businesses and groups, and for this we are very thankful. Our branch could not exist without a supportive community.

Most recently we were lucky to have Tony Pratico host an Old Time Dance fundraiser for our branch. It was a fantastic night but unfortunately the venue had to be changed last minute due to maintenance on the Greenbushes hall. We apologise for the late notice as we were unaware the hall would not be ready.

We are hoping to try again later in the year and hold another Old Time Dance for the Greenbushes community, in Greenbushes. Watch this space!

In June the Belles are holding a Rock Quiz night at the Greenbushes RSL. We would love your support. Money raised will be going to local school children, via the chaplains.

We are also holding a very relaxed chill & chat, bring a plate of supper and just enjoy some company of other local women. All ages are welcome.

Thank you to our members and the members of the community who joined in our initiative to wear pink bras on the outside during the Greenbushes Pink Fun Run. This was in 'support' (excuse the pun) of our wonderful member Didith, and she was very happy to see the pink bra's everywhere.

Left to right Leanne Green, Annemarie Stallard, Sharon Edward, Gemma Mack, Didith Atkin and Karen Browne.

Volunteer's Week was celebrated this month and we would like to thank the Shire putting on a function for volunteers.

Special thanks also go to Nicole Ward and the Greenbushes CRC for the amazing effort put in by them for a wonderful high tea.

It is great to see the work of our many local volunteers acknowledged and appreciated.

People are often misled into thinking that CWA is only for the older ladies in the community, and in particular those who can craft, knit, sew, crochet and cook up a storm.

We want you to know this is a MYTH! Becoming a member of CWA only requires you to be a woman. Membership is \$65 per annum, but if you join in the latter half of the year, membership is half price.

So if you have thought about joining CWA, come along to our events in June and see what we are about and then join in July.

Members receive a wonderful sisterhood, the CWA magazine (which is fantastic), discounts at CWA holiday homes throughout Australia and so much more.

The strength of CWA has been seen recently as they held their first ever protest rally at Parliament House to show our politicians the damage they are doing to country WA with their cuts to camp schools, agricultural colleges, accommodation and now the CRC's.

GREENBUSHES BELLES NEWS(cont)

CWA are non sectarian but have always been political, and have been instrumental in achieving changes in both laws and social issues.

Two of our Greenbushes Belles members attended the protest rally in support of our local camp school, and joined hundreds of others as they came together as one voice. We believe we were heard loudly and clearly, and the public certainly rallied behind CWA.

In coming newsletters I will provide more information on some of the laws and social issues that have been addressed by CWA.

But for now I will leave you with this one: were you aware that CWA of WA lobbied to see changes to public holidays for both ANZAC Day and Australia Day? That is right, CWA were instrumental in seeing the holidays provided on the actual day that they fall. Well done CWA!

On a final note, if you ever feel like assisting the Belles but not joining as a member there are plenty of ways to do this, we always need friends of the Belles.

If you would like to help bake for upcoming cake stalls or events, want to make handmade items which are then sent onto maternity hospitals and the like, donate ingredients for bake ups etc, we will be very grateful.

We also love the support of our community by attending our events. Almost all of our events are open to the community, so if you want to come along, please do. The more the merrier!

DISCOVERY CENTRE HOSTS KARDINYA PRIMARY SCHOOL FOR 20TH YEAR

The Greenbushes Discovery Centre has been helping to host school tours of the town and the Greenbushes Mining Operations for more than 20 years.

In May 2018 Kardinya Primary School students (pictured right) visited the centre during their annual camp at the Bridgetown Camp School.

Volunteers Thelma and Charlie Fletcher and Elizabeth Cooper assisted Debbie Walsh from Talison with the students' visits over the two days in May.

Kardinya Primary School was one of the first schools to participate in tours of the Discovery Centre and Greenbushes Mine and have been visiting us for 19 years.

FLU BUSTER TIP—Make your face a Hands-Free-Zone

Even if you are washing your hands regularly, it's impossible to keep them germ free all day. The best way to protect yourself from colds and flu this winter is to keep your fingers away from the parts of the body that most easily absorb germs—your eyes, mouth and nose.

Royalties for Regions is effectively dead

Trawling through the detail in the latest Budget it is clear that Royalties for Regions as we have known it, is effectively dead. The McGowan Labor Government has made decisions that, over the next four years, will in effect cut \$2.5b out of the \$4b legislated Royalties for Regions fund.

There is no money for camp schools, reduced funding for Community Resource Centres, and no CPI increase for the Country Aged Pension Fuel Card. Expenditure for Orange School buses and Patient Assisted Travel Scheme, that should come out of Consolidated Revenue as normal spending, is now coming out of Royalties for Regions. This is a sneaky way of taking money out of regional areas to spend on election promises in the metropolitan area.

Regional Tourism

The McGowan government's objective is to increase the value of visitor spend in WA from \$10 billion in 2016 to \$12 billion by 2020. However, the forecast increase in regional tourism spending is just \$50 million. This equates to a metropolitan target growth of nearly 37% and a regional growth target of just 1%. This grossly undersells WA's regional destination appeal, as visitors seek a range of unique experiences. It also massively undervalues regional WA's contribution to the overall State tourism sector.

Prescribed Burning

I am a strong advocate of prescribed burning as an effective way of managing the risk of out-of-control bushfires. When Minister for Regional Development, I allocated \$20 million to enhance the prescribed burning effort. This was very effective in reducing the fire risk and helped (the then) DPaW catch up with its burning program. Although the current McGowan Labor government budget has allocated resources toward fire mitigation activities, I am concerned there are no funds specifically assigned to prescribed burning.

Regional Film Fund—Breath

It was very exciting to see Denmark and surrounds showcased on the big screen in the movie adaptation of Tim Winton's novel 'Breath'. Congratulations to Ben Spence, originally from Margaret River, who admirably played the character Loonie. The potential for increased tourism is one of the reasons I strongly supported Royalties for Regions investment in the Regional Film Fund. This fund attracted film makers to explore and highlight regional landscapes and stories - such as Red Dog, Red Dog: True Blue, and Jasper Jones. It is very disappointing for regional communities that this initiative will no longer be supported.

Plant of the Month

with Felicity Littleton

Drosera bulbosa. (Small Sundew)

This tiny herb is one of the 27 sundews to be found in the South West.

They can be perennial or annual, with short or long stems, erect or climbing, but chiefly Insectivorous.

They supplement their nutrition by trapping and ingesting insects with the aid of sticky, hairy leaves that secrete enzymes to digest their captured prey.

This world wide family of plants are at their most diverse in the South West of W.A.

Drosera bulbosa is tiny, only growing to 30 mm, but stands out because of the stalked circle of flowers - sometimes up to 12 in a circle.

It was lovely to discover this little beauty flowering at this time of year.

Of course, some of the other species of *Droseras* (Sundews) are emerging now, particularly the climbing varieties. Some have a white flower others pink, but they are all great integral survivors of the Australian bushland.

To compliment the Greenbushes PINK Fun Run & MTB, a **"Perfectly PINK Afternoon Tea"** was enjoyed at the Greenbushes CRC on Saturday 19th May 2018 with monies raised going to the Breast Cancer Network Australia.

For a gold coin donation attendees enjoyed a PINK themed afternoon tea and Bridgetown Artist Gabriel Evans shared his artwork & work involved for his Scholastic Australia **"A Perfectly Posh Pink Afternoon Tea"** (written by Coral Voss).

After his presentation, the attendees were able to purchase a copy of the book and Gabriel signed them with a lovely personalised message.

Perfectly posh and pink fare was the flavour of the day.

Preparing for Winter Presentation and Greenbushes Community Shed Open Morning

On Saturday 5 May 2018, employees from DFES, Bridgetown SES and Bridgetown Volunteer Fire Brigade presented a very informative & interactive "Preparing for Winter" session at the Greenbushes CRC.

As part of the session attendees were given a demonstration on how to use a fire extinguisher and fire blanket.

Members of the crowd were given the opportunity to have a turn at using the extinguisher and blanket.

After the session the attendees were treated with a sausage sizzle and the opportunity to look through the Greenbushes Community Shed.

Thanks to funding from Volunteering WA (Lotterywest) the Greenbushes CRC hosted a Thank A Volunteer High Tea on Thursday 24 May 2018, as part of National Volunteer Week.

Volunteers who attended represented some of the amazing Greenbushes Volunteering Groups (Greenbushes Community Resource Centre, Grow Greenbushes, Greenbushes Community Shed, Greenbushes CWA Belles, Greenbushes Discovery Centre, St Barnabas Op Shop, Greenbushes Community Garden, Greenbushes Primary School P&C and the list goes on.)

Greenbushes is very fortunate to have many generous people who volunteer their time to coordinate many wonderful ventures and it was nice to be able to give back to them.

The guests enjoyed a scrumptious high tea catered by local business Cakes by Tasty Edibles and loved the opportunity to sit down and socialise with fellow volunteers.

GROW GREENBUSHES NEWS

Shire CEO, Tim Clynch will be attending our June 7 meeting to bring us up to date with things which are happening in the Shire from a Council perspective and to answer any questions.

Anyone is welcome to come along.

For the winter months our venue will change from the Road Board building (which is very cold at that time of night) to the Greenbushes CRC training room.

Meeting time remains the same at 7:30pm.

We need you!

As Greenbushes grows with the mine expansion it is more important that ever that we have an active community group to ensure that the fabric of our community is supported and new or improved infrastructure is identified.

On the 26th of March 1976 the Greenbushes community held a public meeting to establish a committee to "promote, foster and encourage" the collective interests of the community; and so the Greenbushes and Districts Ratepayers and Residents Association was formed.

Later the association became the *Greenbushes Ratepayers and Residents Association* and more recently *Grow Greenbushes Incorporated*.

Over the years this group of community minded volunteers have steered the development of Greenbushes providing a representative voice for the community and initiating projects such as:

- The BBQ area and boardwalk at the Greenbushes Pool
- Thomson Park playground area
- Greenbushes Community Garden establishment and more recently the beautiful mural on the wall of the building
- Greenbushes Fun Run
- Australia Day Breakfast

We need new members to help keep this good work going. New ideas and enthusiasm is required to ensure that our Greenbushes community continues to grow.

Membership is open to anyone who lives in the Greenbushes town site and surrounding area, including business owners and people working in those businesses who may reside outside the Greenbushes community.

Our meetings are the first Thursday of every month, excluding December and January, 6.30pm for Tidy Towns Committee and 7.30 pm for Grow Greenbushes.

Meetings are generally held in the Road Board building between Tasty Edibles and the Discovery Centre, although in the colder months we move down to the CRC. We will be at the CRC in June, July, August and September in 2018.

Please feel free to come along to a meeting and "check us out". If you would like to become a member please contact me on the number below. Membership fee is \$5.

To everyone involved in the Greenbushes Fun Run, organisers, volunteers and participants – congratulations on a fabulous day and our sincere thanks for your time and effort in making it such a great event!

MINE NEWS -Craig's Corner

Myself and Jacqui continued our transition from the hustle and bustle of Perth during the month to the beautiful setting of Greenbushes.

Many trips were made back and forth to Perth and I am glad to say that we are now pretty much settled in.

The Op Shop in particular has been a beneficiary of our move South as we have gone through the process of culling our extensive holdings of "stuff" (although not sure that Jacqui has yet taken to her wardrobe with any gusto – a woman can never have enough clothes/shoes/handbags apparently).

I had the opportunity to visit the Greenbushes Community Resource Centre during the month including getting a look around the community shed and meeting some of the local residents. The CRC is a great resource for our community and I ensure that its benefit is raised at every opportunity with our local politicians.

I also had the pleasure of providing an update on progress of the mine development to the Balingup Men in Sheds group during the month. The evening was well attended, and I hope that I answered all their questions adequately.

Wasn't the Greenbushes Fun Run and MTB a fantastic event once again? All the volunteers who assist with the set-up and running of this event should be rightly proud of their achievement. The weather was very kind to us and I look forward to being able to participate in next year's event.

Talison hosted a number of visits during the month including:

- The Hon. Mike Nahan MLA (Liberal Party Opposition Leader) and The Hon. Steve Thomas (MLC - South West Region);
- The Hon. Adele Farina (MLC - South West Region)
- University of Western Australia Geological Society;
- Various groups from our major shareholder – Tianqi;
- CEO of the Bunbury Wellington Economic Alliance - Chris McNamara;
- CEO of Western Power – Guy Chalkey;
- Representatives from Corning – global glass manufacturer who use our lithium;
- Representatives from BMW – global car manufacturer supplying the world with EV's;
- Participants in the Targa South West Rally EV category;
- Chamber of Minerals and Energy South West Region OSH council;
- Greenbushes Primary School; and
- Kardinya Primary School – for the 19th straight year.

Activities at the mine continue to be in line with our Budget.

The mining team has been busily getting the mine ready for the winter months.

Cape Crushing continued "bedding in" the new crushing circuit. Fair to say that they are experiencing some difficulties at the moment, but I am confident that in the longer term they will settle down and perform to our expectations.

The processing plants performed well during the month despite having to deal with an ever-changing source of feed into the plants as we processed stocks from the old GAM crusher stockpiles.

A major shutdown of the Chemical Grade Plant (**CGP**) was undertaken during the latter part of the month to facilitate various upgrades to the plant.

Construction of the CGP2 plant continues at pace with a major milestone for the project achieved during May with the erection of first steel on 9th May.

A new water storage dam was commissioned during the month and it is hoped that good rainfall in the coming months will assist to fill this dam. The accommodation camp for the construction crews was all but completed during the month.

On a negative note - it was disappointing to see that the mine perimeter fence located proximal to the mine lookout was damaged with a large hole being forced into the fence sometime during the weekend of the 6/7th May.

The perimeter fence is there for the protection of the public and to ensure that people (or animals) do not inadvertently (or intentionally) access the mine and be put in danger.

I would hate to see someone injured as a result of such a pointless act – if you would like to see the goings on at the mine then feel free to attend the Mine Open Day on Sunday July 8.

Pat's Patch...Cr Pat Scallan

Winter is upon us eventually and may have hit us with vengeance. Please check that your gutters are clean for rain water collection if you do collect rainwater and also to prevent damage due to build-up of debris. Clean up any loose items that could become airborne during high winds. Also if you haven't cleaned up your flue recently it may pay to do so in case of any build-up.

So prescribed burnoff's have taken place in town but the large burn between New Zealand Gully and DaRonch's Road most probably won't happen until Spring.

I was privileged to attend the Shire's Volunteer function again this year and I would like to extend my thanks to all volunteers who make our community what it is today. We are very fortunate to have so many people who are willing to put something back into the community and ultimately this make our lives richer and in some cases more pleasant.

The school had an ANZAC Day service when school restarted after the April school holidays which was a lovely service. The senior classes presented the RSL with a wonderful painting which will be hung with pride in our rooms. It is great to have the opportunity to present what past and former residents of our community did to make our lives safer and in some cases lost their lives doing it. We should not forget and hopefully learn from their experiences as well..

This year's Pink Fun Run and MTB event has come and gone and what a beautiful day we had. The weather was kind to us this year and consequently the turnout was a record crowd. Thanks to everyone for supporting this healthy and active event. The money raised this year will go 25% to BCNA and 75% to South West Autism Network (SWAN).

The Shire is currently going through the budget process and developing our various plans required to meet our annual statutory obligations.

The Poppies painted by the senior students at the Greenbushes Primary School and presented to the Greenbushes RSL at the school ANZAC Day service.

Greenbushes Firewood collection Area Change.

Due to Talison Lithium carrying out exploration activity on the eastern side of Maranup Ford Road the DBCA approved a change to the firewood collection area.

The firewood collection area is now on the western side of Maranup Ford road, off Huiston road.

A map of the area is available to be downloaded from the Department of Biodiversity, Conservation and Attractions website via the link below.

Further details on collecting firewood in state forest can be found at : <https://www.dpaw.wa.gov.au/management/forests/forest-produce/68-gathering-domestic-firewood>.

GREENBUSHES FUN RUN AND MTB

Clear bright skies and sunshine were the perfect conditions for this year's Greenbushes Pink Fun Run and MTB on Sunday May 20.

This year 288 competitors turned out across all the event categories which included a 10km run, a 5km walk/run, 15 km mountain bike ride and 5km mountain bike ride. A total of 301 actually registered for the event online or manually—some of whom do so as a donation.

It is the fifth year the charity fundraiser has been held in Greenbushes with more than \$40,000 raised for Breast Cancer Network Australia in the past four years. This year's event beneficiaries are Breast Cancer Network Australia and South West Autism Network. Final tally will be published on www.greenbushes.com.au

The Returned and Services League of Australia

Why should you join the RSL?

Because our sub-branch is an amazing place filled with amazing people!

Seriously though, the RSL was designed as a support network for current and past serving members and their families.

It offers the continuation of camaraderie of service life, an opportunity to maintain the spirit of the ANZAC and allows those better-off to assist those in need.

We serve those who have served.

Come to our monthly meeting and see if you want to get involved.

4:30pm on the 3rd Friday of the month.

GREENBUSHES WINTER FESTIVAL—AUGUST 3, 4 & 5

Greenbushes will support the Bridgetown in the Winter promotion with a weekend of events in early August.

The Greenbushes Winter Weekend starts on Friday August 3 with the official opening of the Greenbushes Art Trail and Exhibition.

The official opening will take place at the RSL Hall on Blackwood Road between 6:00pm and 8:00pm. This year's theme is "Energy" and the awards are still open for entries. Contact Tasty Edibles Café for more information on 97643361 or Shannon on 0407 282 559.

The Greenbushes Art Trail and Exhibition will then be open to the public all weekend with people able to vote for their favourite art piece.

On Saturday August 4 the Greenbushes Community Garden will host a Morning Tea and Crop Swap between 9:30am and 11:30am. Everyone is welcome to go along and tour the garden and share in the morning tea.

The Greenbushes Discovery Centre will also be open on Saturday between 10am and 2pm with a celebration of 20 years of operation. The Discovery Centre will also host a free guided Wattle Walk on Sunday morning.

Maranup Ford Laser Mayhem will be held on Saturday and Sunday from 12:00pm to 4:00pm. Laser mayhem is a non projectile laser combat game suitable for ages 4 and up. The annual Laser Mayhem raises money for charity. To book a place call 0475 228 112.

The Greenbushes Winter Weekend will also include the opportunity for people to attend an Art Workshop with Alicia Rogerson at the Greenbushes Community Resource Centre. This workshop will take place from 10:00am to 1:00pm. For bookings contact the Greenbushes CRC on 97643575.

If people are looking for some relaxation Time Out for Hair on Blackwood Road Greenbushes will have massage and aromatherapy on offer. Call 97653563 for more details.

Animal Communicator and Therapist Maria Sole will be at the Greenbushes RSL Hall on Saturday and Sunday to help clear your pet's energy blocks and emotional stops.

There will also be fun and frivolity with a Life Dance Workshop, Yoga Workshop, Plant Energy Music Workshop, Laughter Workshop and Drumming Circle. Details to be advised in the July edition of the newsletter.

On Saturday August 4 there will be a Cabaret at the Greenbushes District Hall featuring local band Retrosonic. The cabaret will include a floor show featuring 9 times WA State Champion Ballroom Dancer George Letchford partnered by Emily Montgomery, also a WA State Champion dancing Modern Ballroom and New Vogue.

Ek Phnom School

Ek Phnom primary school is participating in the Schools for Excellence project and the School Director has shown a lot of enthusiasm for the project. He struggles to improve the scores of the school because the infrastructure is poor. The school currently teaches 349 students in Grades 1- 6.

There are 4 good quality classrooms, used by 199 children

There are 4 poor quality classrooms but only 3 are used. 150 children are educated in these 3 classrooms.

The poor quality classrooms are used by Grades 1 – 2 (two classes are held in the morning and one class in the afternoon). The old classrooms were built in 1983 and are made out of wood with a tile roof and concrete floor. They have deteriorated as a result of flooding and general wear and tear. Three of the poor quality rooms are used but are not safe because the roof and walls swing up and down when the rain and wind comes. The school has a high risk of falling down at any time after an assessment of the foundation pillars.

As a result, the children have to move out during heavy rain and high wind. The water also damages the children's book, tables and clothes. The Cambodian teachers who work there, sum up what it is like to study in these classrooms when they say "children learn with scaring feeling from this building."

In 2016, an Australian NGO (Classroom of Hope) agreed to provide the US\$35,000 needed to build the school but since that time, construction costs have gone up. The total construction cost is now US\$38,886. The local community have fundraised \$1500 but this still leaves a shortfall of US\$2386 (A\$3200). Angie Winter, working in conjunction with Wendy Trow (One Family project), aim to bridge this gap by October 2018 so that the school can be built and is ready for students in the next school year.

DON'T DIE WITH THE MUSIC STILL IN YOU

Join Wendy and Angie Winter at

Donnybrook Recreation Centre - Tuesday 3rd July 2018 - 10.30am -12:00pm

Free event - Morning tea provided

Wendy Trow spent 18 months as an Australian volunteer in Cambodia and now returns every year to fund projects in remote villages; such as sewing classes, soccer training and first aid. Donations from the local community have also enabled Wendy to provide families with bicycles, chickens, water filters and even a couple of houses!

If you have ever had a yearning to volunteer overseas, or if you just like a good yarn, this will be perfect for you.

D is for HEART

Several studies have linked low Vitamin D levels with a greater risk of stroke, heart failure, heart attack and cardiovascular disease.

But now further research gives hope to people who already have cardiovascular disease, with news that the risk of death can be reduced by almost a third simply by maintaining Vitamin D levels.

Another study has found that Vitamin D3 has the potential to significantly reverse the damage that high blood pressure, diabetes, arteriosclerosis and other diseases inflict on the cardiovascular system. This is one Vitamin worth looking into. Ask your doctor to check your levels.
