Community Resource Centre Project Officer Trish McCourt (far left), organized a Volunteer Morning Tea attended by local Shire Councillor Joann Moore and a number of community members who volunteer their services to make Greenbushes a happier, healthier, more connected town. Pictured are (left to right from rear) Codie Tole, Joann Moore, Irma Lachmund, Dave Robertson, Didith Atkin, Grant McDonald, Lyn Perks, Merrick Paget, Christine King, Felicity Littleton and Angie Cornish.

Aside from the physical and mental health benefits of volunteering, helping out in the community can also be a pathway to employment. Volunteering WA, the peak body for volunteering in Western Australia, estimates there are currently about 550,000 people volunteering in WA.

National Volunteer Week was held from 17-23 of March. THANK YOU to all our volunteers!

Green Day Out At Community Garden in June

The community garden is proud to invite the whole community to a winter garden event on Sunday 19 June 2021 from 12 to 3:30pm, let's get waste free and skilled up.

Join us to meet Rebecca Prince-Ruiz, WA Local Hero 2021 and the founder of the Plastic Free Foundation. Take the pledge for Plastic Free July and learn about minimalist living trends, waste and recycling.

Workshops and activities on the day include practical expert gardening and permaculture advice from Charles Otway, farm cheese making demonstration by Greenbushes legend Tony Pratico, and lip balm making by Vera Ross. Hear from Transition Bridgetown about recycling, waste and transition options. Also there will be a presentation of the outcome of the Greenbushes community planning meeting and some kids activities.

There will also be a produce swap and seed exchange. Some tasty soup with crusty bread will be available by donation, as well as light refreshments. Also, there will be buskers and a raffle.

The Greenbushes Green Day Out is part of the Fridgetown Festival and sponsored by the Shire of Bridgetown-Greenbushes.

Garden tool use, storage and maintenance

During the May morning, Lee Goodall presented a workshop on the use, storage and maintenance of garden tools. The hands-on information was well received. All questions were answered and people were especially curious about the Pelican Pick and the old tree pruning tool. The workshop brought some new faces into the garden and membership has been growing. The garden will strengthen its focus on skills sharing in future events.

Two busy bees were completed. Volunteers planted garlic, bok choy and broccoli and natives along the irrigation lines. We pruned, weeded and reorganised the space inside the garden building. Please join us for our next busy bee, new helpers are always welcome. There will be no morning tea on 19 June, but the Greenbushes Green Day out from 12noon.

Next events at the garden:

Tuesday 1 June: Busy Bee from 9am
Tuesday 15 June: Busy Bee from 9am
**Saturday 19 June: Green Day Out in Greenbushes from 12noon - 3:30pm.**
Friday 11 June: Planning/Committee meeting from 3pm
Tuesday 29 June: Busy Bee from 9am

Garden membership is $15 per year. Come and join the garden members for community building towards regenerative living. The committee meeting has been brought forward by a week, due to the upcoming event.

greenbushescommunitygarden@gmail.com
HELPING HANDS ACTIVITY A CHANCE TO THANK FELICITY LITTLETON

The Bridgetown Greenbushes Helping Hands Bushcarers Group will be in Greenbushes on June 17 to help with some work at a small arboretum established near the Greenbushes Sports Complex.

The work is being coordinated by Bridgetown Greenbushes Community Landcare Officer, Cheryl Hammence as part of the group’s monthly activity programme.

The arboretum has been established on a former unofficial green waste site next to the cricket oval at the northern end of town.

Ms Hammence has asked interested volunteers to join the Helping Hands group at 9am to commence the activity. The group will work through until midday with a plan to mulch the area to reduce use of herbicides.

On completion of the work at the arboretum, if time permits, the group will move out to Schwenke’s Dam on Spring Gully Road to carry out maintenance along the Waterbird Walk Trail and the parking area.

Thank you to Felicity

The Greenbushes activity will also provide an opportunity for a small farewell to local volunteer Felicity Littleton who is relocating to Bunbury in July.

Ms Hammence said the community greatly appreciated Felicity’s enthusiasm for flora.

“We will share our morning tea at 10:30am in celebration and appreciation of all of her botanical knowledge and collecting forays that have contributed so much to the Greenbushes Herbarium,” said Ms Hammence.

“I have been privileged to have spent many hours out in natural bushland areas with Felicity, exploring some of her special places with their unique and precious plants.”

“She will be missed and we wish her every happiness in the next phase of her life.”

New volunteers are always welcome to join in on community projects.

Recently the volunteers completed projects at Yornup Creek, Abbots’ Reserve and at Somme Creek in Bridgetown.

To find out more contact Cheryl Hammence, the Bridgetown Greenbushes Community Landcare Officer on 0428723111.
OPEN GARDEN ON MOTHER’S DAY SUPPORTS SCHOOL

The Greenbushes garden of Kim and Norm Renshaw has delighted visitors during our local Festival of Country Gardens for several years and now the local school is benefiting from money donated by the garden’s visitors.

This year Kim and Norm decided to donate a portion of the proceeds of their Mother’s Day Open Garden event to the school.

The event raised $350 which was gratefully received by Greenbushes Primary School Principal Kylie Loney recently.

Kim and Norm have also donated a three year old Avocado tree to the school which Kim grew from a seed.

TRANSITION TOWNS

Join in a discussion on key themes of Transition Towns including production of local food, sustainable living, community resilience, reduction of waste and environmental protection at the Transition Towns Sundowner on Sunday June 20.

The Transition Bridgetown Open Space Sunday event will take place at the Bridgetown Cidery from 4:30pm to 6:30pm.

To register email: transitionbridgetown19@gmail.com or text 0432 105 754.

This is a Fridgetown Festival Event.
POSTIE DELIVERS INDIGENOUS STORYBOOK JOY

Students at Greenbushes Primary School will gain a richer understanding of Indigenous culture and stories thanks to a special delivery from Australia Post.

Greenbushes Primary School was selected to receive a pack of picture books authored and illustrated by Aboriginal and Torres Strait Islander people and published by the Indigenous Literacy Foundation (ILF), after mum and Manjimup Post Office worker Michelle Waters nominated the school in a staff competition.

Ms Waters, a member of the parent community at Greenbushes Primary School, said she was rapt to be able to boost the local school library.

“Greenbushes Primary School has a strong commitment to embracing Indigenous culture,” said Ms Waters.

“They teach Noongar language as their Language other than English (LOTE) program, they participate in NAIDOC week and have visitor performances that they get the kids involved in,” she said.

In 2020 the students hosted a community concert with singers Gina Williams and Guy Ghouse which gave them the opportunity to practice their language skills while singing with the artists.

Australia Post Head of Community, Nicky Tracey, said Australia Post was committed to improving access to books and giving more children the opportunity to build their literacy skills.

“Books help us understand our world, and the inclusion of stories by Indigenous authors in libraries offers an accessible way to build cross cultural understanding among young children”, Ms Tracey said.

Australia Post entered a three year partnership with the Indigenous Literacy foundation in 2020 and uses its vast delivery network to truck, fly and even ship books to children in remote Indigenous communities and across Australia.

MURAL INSTALLED AT GREENBUSHES SPORTS COMPLEX

Thank you to Lynnette McFarlane of Sacred Space Studios for the new addition to the Greenbushes Art Trail Walk. Check out the new mural at the Greenbushes Sports Complex.
Train songs and bush poetry at wet music picnic in Thomson Park
Thank you to the small but eclectic crowd who came along to our Acoustic Music Picnic at Thomson Park on Sunday 16 May. Local Band Green Herring Oz opened the afternoon session, sharing some train songs before our regular open mic session.

Again the tree was our saviour as it gave us shelter when an hour into the event raindrops started to fall. The audience and musicians decided to continue the music in the park. The few drops did not hurt anyone as it was a balmy 22 degrees and we had no wind. Nine musicians played a few classics together in the traditional All-Star-Band at the end of the picnic.

A special thank you to Bev, Bill, Jem and Greg for their bush poetry and yarn spinning that was heartfelt and gave us many a good laugh. What a wonderful afternoon event!

The next Greenbushes Acoustic Session will be on Sunday 20 June 2021 from 1:30 to 3:30pm at the Greenbushes RSL Hall. Light refreshments available. Please bring your family and friends. No need to bring chairs. Entry by donation for the hall hire.

Greenbushes Acoustic is partnering with the Greenbushes Art Trail to organise a combined art and music trail on 18 and 19 September. The theme is Unplugged. Watch this space for more info in the coming months and let us know if you would like to lend a helping hand in the preparation of that event, per email to greenbushesacoustic@gmail.com or ring Irma on 0466 640 455.

Irma Lachmund

GREENBUSHES ART TRAIL EXHIBITION 2021

Unplugged is the theme for this year’s Greenbushes Art Trail Exhibition.

The exhibition works will be hung at Cakes by Tasty Edibles and Sacred Space Studio in Greenbushes for the weekend of September 18 and 19.

To be eligible, works must relate to Nature’s Garden and artists are asked to write a short description to accompany their works which demonstrates how the piece is linked to the theme.

The People’s Choice Award carries a prize of $1,000 for the winning artist.

The Youth Award has a $100 prize for young artists aged between 13 and 18 years of age. Children Under 12 Years Category has a prize of $50. Contact Tasty Edibles for Entry Forms.

Pick up your entry forms from Cakes by Tasty Edibles Café or Sacred Space Studio in Greenbushes.
Acoustic Music Sessions

20 June, 18 July, 15 August
1:30-3:30pm
RSL Hall, 32 Blackwood Rd,
in Greenbushes
Bring your family and friends
**MI NE NEWS - Craig’s Corner**

The wet start to the year presented a number of challenges during the month but impacts have been limited due to the great work done in recent years by the Mining and Site Services team to improve roads and drainage pathways around the Mine. With Talison being solely reliant on water captured from rainfall for its processing operations, the good rains have allowed us to replenish our storage volumes following the summer months.

Talison had the opportunity during May to provide an overview of the Greenbushes story to:

- process operators from Albemarle’s Kemerton Lithium Refinery; and
- members of the South West Development Commission.

On the assumption that the likelihood of lockdowns as a result of COVID-19 community outbreaks in WA continues to be low, Talison is currently planning to hold a Mine Open Day later this year. The date has been set for Saturday 30 October with places being limited due to sterilising requirements for Personal Protective Equipment. So, save the date and be on the lookout for more detailed information closer to the time.

Congratulations, and a very big thank you to the following Talison employees who celebrated a 10-year service anniversary with Greenbushes during the month:

- Robert Bell;
- Kristian King,
- Laurence Vitali; and
- Gary Waters.

Processing operations continue at pace with both the Technical Grade Plant (TGP) and Chemical Grade Plant #1 (CGP1) operating at full capacity during May. Recommissioning of commissioning of Chemical Grade Plant #2 (CGP2) is well underway with ore being treated on 01 May as planned. Commissioning of CGP2 is progressing really well with a lot of hard work being put in by the entire processing and maintenance teams.

Talison’s owners have confirmed the expected increase in production volumes for the second half of 2021 which is great news for the Mine. Activities can continue at pace with plenty of work to keep everyone busy for the remainder of the year.

Mining volumes continued in May at circa 400,000 bank cubic metres (bcm) in support of the additional production volumes for 2021. Volumes are planned to increase over the next couple of months to circa 450-500,000 bcm per month.

Construction of the Tailings Retreatment Plant (TRP) continued during May. Despite some labour constraints being experienced by the construction contractor, construction of the TRP remains on schedule to be completed by the end of 2021 with processing operations planned to commence in January 2022.

Clearing activities to facilitate construction of the new Mine Services Area (MSA) are all but complete and earthworks have commenced.

**PARENTING WORKSHOP FOR FAMILIES**

Talison partnered with Accord West to host a workshop in Greenbushes to help parents and caregivers learn better ways to communicate with their teens.

Accord West facilitator Christine Ashbil (pictured below left with Talison HR Officer Mel Smith) hosted the workshop at the Greenbushes Community Resource Centre.

The workshop is usually held over six weeks but a special weekend version provided an opportunity for Talison employees to participate over a shorter period of time.

**TALISON COMMUNITY LIAISON OFFICE**

The Talison Community Liaison Office will be available to community members to provide information and answer queries regarding Talison’s current activities and future operations.

No booking required, drop in and have a chat.

**PLACE:** Greenbushes Community Resource Centre  
**DAY:** Third Wednesday of each month  
**TIME:** 3-4 PM  
**EMAIL:** gbcontact@talisonlithium.com  
**PHONE:** 97825700
Enrolments are now open
@ Greenbushes PS

Call 9782 5950 or 0413 072 513 today
to chat to our friendly staff,
arrange a tour of the school
and pick up your enrolment pack.

*To enrol in Kindergarten this year, your child must turn 4 by 30th June, 2021.

In a bid to support working parents, GPS also offers a
FREE Before and After School Club for enrolled students,
from as early as 6:45am, until after work, as required.
Telephone to speak with Principal, Kylie Loney,
to see how this could benefit your family.

Greenbushes Primary School accepts enrolments
for students in Kindy to Year 6 right throughout the year.
FINDING YOUR ANCESTORS

The European wasp wipe out!

After successive, challenging seasons, WA can breathe a sigh of relief and celebrate some spectacular results.

Photo caption: Insecticide treatment of underground European wasp nest

The 2020-21 European wasp (Vespula germanica) surveillance season has finished strongly with nest numbers plummeting to the lowest they’ve been in 12 years and not a whisper from the destructive pest for months!

This victory comes after three years of sustained efforts: additional resourcing, strong community reporting, multi-government departmental collaboration, and a WA-first baiting program implemented across 2,530 hectares (25.3km²) of rugged bushland in the Perth Hills. It took everything from the playbook and a few new innovative moves to detect, delineate and wipe out this pest.

Season stats:
- 68,100 ha (68.1km²) under intensive surveillance
- 3,000+ surveillance traps deployed
- 14 nests destroyed – all in the Perth metro
- 4 confirmed public detections
- ALL hot spots ERADICATED!

An enviable history
European wasps have hitchhiked their way around the globe, establishing and spreading everywhere within their biological range, largely unchallenged... except in WA. Since 1977 when first evidence of this pest emerged in WA, we’ve mounted an attack.

European wasps have permanently established in south-east Australia (SA, NSW, ACT, VIC and TAS) but are not subject to state-wide control programs, resulting in an annual influx of wasps into WA.

So, we must not let our guard down, as detections must be made early to have the best chance of eradication and prevent the permanent establishment and spread of this pest. Brush up on your European wasp identification skills, consider trapping alongside us and learn more about this surveillance program at agric.wa.gov.au/wasps or contact our Pest and Disease Information Service. Until next season!

It is no secret that the Bridgetown and Greater Region real estate market is performing strongly. Bridgetown has been identified as the second most sought after “city escape” town in WA. York being number one!

Bridgetown’s popularity is due to its scenic beauty, its character and its relative proximity to major centres such as Bunbury/Busselton (1hour) and Perth (3hours). Most importantly it still offers well priced, value for money real estate. Whilst we are seeing a steady rise in prices due to increased demand it is still only single figure rises hence opportunities for buyers.

We have seen an enormous turnaround in demand since April 2020 with all sectors of the market showing signs of growth. All agents have sold listings they have had on their books, in many cases for over two years. The past twelve months have seen more than twice the volume of sales from the previous twelve months. Consequently pressure is being put on agents having sufficient desirable listings to offer buyers. Why are we suddenly in a “hot” market? People are not travelling overseas; Retirees are getting no return from banks due to low interest rates, so mum & dad investors are buying real estate.

The oversupply of vacant residential lots has prevailed in Bridgetown for the past 15 years with prices in all the Estates plummeting after the GFC. The past twelve months has seen many of the lots sold with a steady price increase.

The buyer demographic is vast from first home buyers to permanent lifestyle retirees to part time weekend/holiday residents and investors.

If there is a negative to all that has occurred in the real estate market it is the rental crisis. Because the sales market is hot, part time landlords are selling their homes that they have been holding for the past 2 to 3 years. Ex pats have been coming back to WA from overseas and Eastern states putting huge pressure on rental availability. We are already seeing former tenants living in the bush or in cars in the Margaret River area. We have not seen signs yet in our area but it may be likely. Lets hope tenants can find suitable accommodation options in the near future.

The management and staff are so excited to welcome Kate Bond to our team. Kate brings 37 years real estate experience to the team. Please contact her when next requiring an appraisal on your property.

SPECIAL REUNION IN GREENBUSHES IN JUNE

On Sunday June 6 a special family reunion occurred at the Shamrock Hotel in Greenbushes.

The event was organized by Amanda Lovitt to celebrate and commemorate the 100th anniversary of the wedding of her grandparents Harry and Ada Robinson. The wedding of Harry and Ada was held at 8 am on June 6 in 1921. It was a double wedding involving Beatrice (Trixie) Robinson and Roy Williamson and Elsie Ada Robinson and Arthur Florance.

Amanda writes:

Harry and Ada Robinson moved to Bunbury End in Greenbushes in the mid 1890s. They had eight children, seven of whom were born in Greenbushes and the youngest in Bunbury. The moved from South Greenbushes to Telluride Street in the 1930s.

The story goes that Harry was walking home from town when Roy Williamson stopped and asked him for his daughter Trixie’s hand in marriage, then shortly down the road, Arthur Florance stopped him and asked for his daughter Elsie’s hand in marriage. Harry was renowned for preaching at the Methodist Church but not for his humour but he joked at the wedding breakfast that he ran the rest of the way home lest he lose the other girls on the same day.

Read more about the double wedding - the link is above right.

Greenbushes Belles are excited to announce the popular rockin’ quiz night is back with Chris Mott as MC and live band CEDAR LANE. Bar facilities and hot supper included. Lots of prizes to be won plus a silent auction.
The Greenbushes Community Shed would like to acknowledge the support of Australian Men’s Shed Association (AMSA) who has administered the Australian Government Department of Health, National Shed Development Programme (NSDP) since 2010.

The Community Shed, through their Round 21 funding programme, received $6000 towards the construction of an 8 meter x 2.8 meter gazebo with concrete slab, which is set to increase the overall workable area at the Shed, creating additional space and improving the overall safety inside the Shed by moving our members away from the larger machinery inside the Shed whilst it is in use.

Since 2010 Round 1-21 a total of $6,681,285 (GST excl) has been provided to assist new and existing Men’s Sheds.

The aim of the Programme is to;

- support health improvements through a focus on the social determinants of health through national activities in relation to key population groups;
- assist to address the health and wellbeing of Men’s Shed members;
- deliver activities and programmes; and
- improve facilities and the sustainability of Men’s Sheds Across Australia.

Don’t forget we are more than just a Men’s Shed – you can join our Shed regardless of gender provided you are over the age of 18 years.

Watch this space for progress on the project!

The planes above are just a few of the many items we make at the Shed.

Come along with your ideas and learn some new skills or bring your skills and join the group.
The Coordinator’s Column

It’s June already and we are halfway through the year!

May was a wonderful month full of activity here at the CRC. We were fortunate enough to gain grants for Neighbourhood Centre Week and volunteer week celebrations.

This month we had students from Edith Cowan University doing exams here and we welcomed newly elected member for Warren-Blackwood Jane Kelsbie on Friday 11th June.

Our July School Holiday Programme is finalised (see flyers to right), we look forward to bringing some crafty activities to local children.

Food Sensations is back! Be sure to sign up for this delectable programme which starts on July 25th.

July is also “Plastic Free July”, look out for information on our Plastic Free July activities coming up

— Gail Aldridge- Coordinator
'SIX NEW WAYS TO BREAK FREE'

Ever feel like you haven't a friend in the world, your community is letting you down, or you just feel plain lonely and don't know what to do about it?

With the help of 'Linkwest' and 'Lotterywest' we have purchased SIX amazing new personal growth books to help you break free from those feelings of loneliness, inspire you to get connected and simply make you feel good.

These awesome books were launched at our recent 'Neighbourhood Centre Week' celebrations. The theme was Loneliness: the solution is community, hence the subject matter of the books.

The SIX books in the pic and listed below, covering all age groups are available for anyone to borrow; and you don't need to be a library member!

1. Friendship in the Age of Loneliness (Adults)
2. Find Your Tribe (Teens)
3. The Boy, the Mole, the Fox and the Horse (All Ages)
4. Resilience Project - Finding Happiness Through Gratitude, Empathy and Mindfulness (Adult)
5. When We Became Strangers (Adult)
6. The Big X - A Community Comes Together (Children)

POP into the CRC, borrow a book, curl up in front of the fire and enjoy!

GREENBUSHES ACOUSTIC CLUB

Greenbushes Acoustic aims to bring more live acoustic music to Greenbushes, Western Australia. From April 2021 during the colder months the group meets regularly on the third Sunday of the month at the RSL Hall in Greenbushes, between 1:30 and 3:30pm. This is a free acoustic music event with open mic opportunities. See you there.

Ring Lee on 0491 009 134 or Irma on 0466 640 455 for more information. [https://www.facebook.com/greenbushesacoustic](https://www.facebook.com/greenbushesacoustic)

Greenbushes Acoustic is an initiative supported by GROW Greenbushes Inc.

In addition to the usual weekly Cleanaway rubbish collection service in the Greenbushes townsite, the Shire of Bridgetown-Greenbushes also offers a waste collection service on Saturdays.

SATURDAYS:
At the Waste Transfer Station behind the Shops on Blackwood Road
10am - 1pm
All Household Waste

LAST SATURDAY OF THE MONTH
10am - 1pm
Bulk Waste

Recycling can be deposited in the skips at the Community Co-Mingled Recycling Station near the Old Courthouse on Blackwood Road.
