## BIKE COURSE ADDITION TO GREENBUSHES RUN

Greenbushes Fun Run will have more challenges in 2017 with the addition of a new mountain bike race.

There is a 5km or 15km mountain bike course to choose from in addition to the 5km run/walk or the 10km run.

Funds raised go to Breast Cancer Network Australia and Sock it to Sarcoma.

See the advert inside this edition of the newsletter for the registration link and details.

An early manual registration session will be held ahead of the event on Saturday 20<sup>th</sup> May between 2:30pm and 4pm. People will also be able to pick up their timing bibs on this day for an early start on Sunday.

Online entries will close on Friday 19<sup>th</sup> May.

Dress up in pink and come out for a great family day out at a National Families Week event. Pictured left are Leonie Eastcott, Didith Atkin, Casey Asplin and Pat Scallan getting ready to mark the course with new pink posts.

## CHILDREN'S STORIES AND LIGHT HORSE A FEATURE OF BALINGUP ANZAC SERVICE

A March from the Birdwood Avenue of Honour Bridge, led by Ken Walker representing the 10<sup>th</sup> Light Horse Brigade on his beautiful white horse and Rhylie Scarrott, in jungle greens as the flag bearer, were the highlights of the Balingup Anzac Service.

Steve Milton marshalled the group into order and put them "at ease" during the service.

Mike Armstrong led the service which was attended by around 100 community members and visitors. Stories from the Balingup school children were read out and their work was featured in the Balingup Historical Exhibition. Service wreaths were laid to honour those who fought for the freedom we enjoy today.

After the Service the marchers were asked to "fall in" before being "dismissed" at the back of the War Memorial. A sausage sizzle was provided by the Balingup School P&C.

These events would not take place without the help of very special volunteers.

Chris Reynolds put the flag up in the morning, Louise Hodge played the organ. Russel & Ros Price and their daughter Yvette took care of the sound system.

Per Christensen transported the keyboard to the event, and Geoff McMullen transported all the chairs to the event. Balingup CWA made up 10 wreaths before the service.

Many Thanks to all those who helped make this day a great success.

## COMMUNITY INFORMATION PRESENTED ON TALISON EXPANSION

Thirty one people attended two information sessions at Greenbushes on April 12<sup>th</sup> to hear plans for the Talison Lithium Expansion Project.

After a presentation on the new project by General Manager Projects Pat Scallan, community members were able to ask questions about the project.

Mr Scallan told the meeting the project would involve the construction of a new stand-alone lithium processing plant and crusher at the Greenbushes Operations to meet an expected increase in demand for lithium.

The new processing plant would mirror the existing plant which will continue to operate and be expanded.

Mr Scallan said the project would provide a boost to the local and regional economy with the creation of about 200 jobs in the construction phase and between 40 and 60 permanent jobs in the longer term.

Site works are expected to commence in May 2017 with the new processing plant forecast to be commissioned in the second quarter of 2019.

Mr Scallan said there would be an increase in truck movements from the current two trucks per hour to 4 trucks per hour when the new processing plant was in full production.

Lithium product trucks currently comprise 10 percent of the 400 truck movements on the South West Highway each day and this was expected to increase to around 20 percent when the expansion was completed.

A new entry to the mine site to access the new processing plant will be constructed south of Gate 2 on Maranup Ford Road.

An overtaking lane is also planned for Maranup Ford Road between Gate 2 and the townsite.

Talison Lithium pays an additional loading fee for every truck that runs between Greenbushes and Bunbury and the funds raised are used for road improvements along the South Western Highway between Greenbushes and Bunbury.

Following queries at the community information sessions Talison will contact Main Roads WA regarding making improvements to visibility at the southern entrance (Stanifer Street) to town which has been affected by the Main Roads verge railing installed in recent years.

Community members at the meeting were advised that noise impacts from the plant expansion had been modelled and although some increase in background noise was expected it would not exceed Talison Lithium's noise regulations. This was due largely to the plants location to the south west of the current processing area. In addition it was noted that the mining fleet was commencing continuous mining cycles in mid April.

There is a network of groundwater monitoring bores around the minesite, the water is monitored to ensure that mining and tailing storage activities are not impacting on any deep water aquifers. Additional bores are being installed in May. Water quality in surface waters on the minesite are monitored weekly or monthly depending on their proximity to the processing circuit. A water remediation plant is currently being piloted and will be operating by the end of 2018 to ensure water quality is maintained.

## GREENBUSHES COMMUNITY GARDEN NEWS

*Native male Halictid Lasioglossum bees roosting in Tracy Lansdell's calendula flowers.*

International Permaculture Day (IPD) is on May 7<sup>th</sup>. With its focus on local action for the greater good, IPD shows that permaculture is a global movement of creative people building communities that are resilient and convivial. One of those local actions is community gardening, a practice that Greenbushes has proved builds a sense of place and community and at the same time provides us with good, tasty food.

The original plan we had drawn for our community garden in 2011 was by a Permaculture designer and we have been able to implement many of these original ideas. The 3 ethics of Permaculture *care for the earth, care for the people* and *a fair share* continue to be our guide for all of our activities.

Why not celebrate International Permaculture Day in your garden by planting some edible crops. There's still some good planting time left in this part of the world, so pop in some Brussels sprouts, cabbage, cauliflower and broccoli. Peas and broad beans can also go in, as well as radish, turnips, swedes and spinach.

Why not plant more herbs? Chamomile, lemon grass, lemon balm and rosemary. And always think of your bees - try planting things like: cornflower, calendula, dianthus, pansies, viola, snapdragons, stock, ageratum and marigolds. These guys are great at attracting pollinators and beneficial insects to your patch, and the flowers look good as well.

Please note there is no May monthly meeting as most committee members are away however our morning tea and crop swap will still commence from 9.30am on Saturday 6<sup>th</sup>.

## Greenbushes Primary School ANZAC Commemoration

Greenbushes Primary School students hosted an ANZAC service for the community on Monday 24<sup>th</sup> April.

The commemorative service included an address by Greenbushes RSL President Trevor Bottomley along with poems and speeches by students.

After the ceremony members of the community were invited back to the school for morning tea. Those attending were presented with small parcels of ANZAC biscuits.

**MINE NEWS**  
March saw the number of full time employees on site increase with 5 new process operators joining the ranks for our permanent fulltime crews and a new Geologist. We welcome Wayne Carnes, Hamish Hume, Mitch Clothier, Scott Daube, Mathew Giblett to the processing plant and Mick Salvoni to the Mining department as a Geologist.

Maranup Ford Road realignment work is now complete. Thanks for your patience while this work was completed.

Special mention to Leonie Eastcott who achieved 30 years of service, she has seen some interesting changes to the mine during this time and some fascinating stories which I sure she will never tell.

The Mining team have now transitioned to an uninterrupted roster with a number of the team taking on new roles and responsibilities. The processing plants both successfully completed planned maintenance outages and were back on line within the planned schedule. Production rates have been a little below targets and the technical team are working on improvements.

## KEEPING OUR TOWN TIDY

Greenbushes Primary School students joined forces with the Tidy Towns Coordinator Leonie Eastcott in April to carry out a clean up of streets around the school for Clean Up Australia Day.

The students participate in this initiative each year and have noticed a reduction in the amount of litter on the streets. There were three bags collected in the 2017 clean up effort.

### MILLIPEDES HERE TO STAY

Rain and warm weather stimulates Portuguese millipede activity and despite eradication attempts and extensive research there is no effective and practical solution for their eradication.

Turn off unnecessary outdoor lighting, place door seals and dust strips around your home. Insecticide sprays around the home and base of walls may also help reduce numbers.

### Pat's Patch

The Shire is currently working through the budget process so please would you let me know if there is anything that you feel needs to be addressed.

The Strategic plan is almost complete and will outline some of the direction the Shire will focus on in the next 5 years.

The "Restricted" burning season is being extended until 10<sup>th</sup> May 2017 therefore any burning -off will require a permit.

We have already had one fire in our surrounding bush this month the source of which was not identified, so it was logged as suspicious. A special thanks to the local Bush Fire Brigade on their quick response and work done to contain the fire. Please stay vigilant and be responsible.

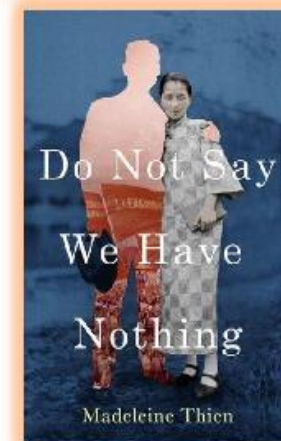

Good luck to the Tidy Towns contingent heading to Tasmania in May to represent Western Australia in the National Tidy Towns Awards.

Talent without discipline is like an octopus on roller skates. There's plenty of movement, but you never know if it's going to be forward, backwards or sideways....

## HUNDREDS COMMEMORATE ANZAC AT DAWN SERVICE

Hundreds of people turned out for the Greenbushes ANZAC Dawn Service on April 25<sup>th</sup>.

People braving chilly morning temperatures to attend the event were treated to the spectacle of the 10th Light Horse Troop South West members looming out of the fog as they lead the march to the War Memorial.

Many wreaths were laid at the War Memorial by community groups and individuals. A highlight of the event was a performance of "And the Band Played Waltzing Matilda" by RSL member Suzanne Bottomley and musical interludes by the Jubilee Singers.

The address was given by Bridgetown Greenbushes Citizen of the Year Leonie Eastcott who outlined the events of 1917 on the Western Front which is regarded as the worst in Australia's war history in regard to casualties and deaths.

After the service, community members lined up for the traditional Gunfire Breakfast held in the District Hall.

## IRISH FLAVOUR FOR BALINGUP FILM NIGHT

Irish Music and poetry readings will provide an atmosphere to a film night planned in Balingup in June to highlight the true story of Irish journalist, writer and poet John Boyle O'Reilly.

The film "Vigilant" has been written and directed by Peter Murphy and is based on the true story of O'Reilly, a Fenian who was transported to Australian and later staged a dramatic escape attempt off the Western Australian coast north of Bunbury on the whaling ship "Vigilant".

The film screening will take place at the Packing Shed on Saturday June 3<sup>rd</sup> from 7:00pm.

Shane Thomas (Latehorse) will open the evening with some live music before the film commences at 8:00pm.

Following the screening there will be an opportunity for people to ask questions of the actors and film crew.

Actor Lachlan Kelly will then recite the poetry of John Boyle O'Reilly before the evening concludes with more live Irish music and refreshments.

The Film Night costs \$10 per person with proceeds going to the Balingup Historical Society.

For more information contact Helen on 97641291.

There are only 50 tickets available for this film night so get in early. DVDs of the film will be available to purchase on the night.

## CALL OUT FOR OUTSTANDING WOMEN

People in the Warren-Blackwood area are being encouraged to nominate an inspiring woman and successful businesswoman in their community for the 2017 Telstra Business Women's Award.

The awards are now in their 23<sup>rd</sup> year and recognise and reward the courage, leadership and creativity of Australia's most inspirational businesswomen.

Warren Blackwood MLA Terry Redman said "there were some amazing women who were leaders in their communities and achieving outstanding results with their businesses."

He said "the awards played a vital role in raising the profile of women in business and celebrate their successes."

"These prestigious awards empower women to be proud of their achievements and to set bold new goals for the future," said Mr Redman.

Businesswomen may share their story by nominating themselves or may be nominated by a satisfied customer.

Nominations can be made at :  
<https://www.telstrabusinesswomensawards.com/>

## ARCHIE EXHIBITION AND AWARDS

Entries are now open for the annual Archie Exhibition and Archie Landscape Exhibition Bridgetown.

Entry Forms are available from the Shire Administration offices or from Bridgetown Pottery Restaurant and Gallery. The Grand Opening of the Archies will take place on Friday 23<sup>rd</sup> June and the Landscape Exhibition will be opened on Friday 14<sup>th</sup> July.

## STUDENTS PARTICIPATE IN ROAD BLESSING AT BRIDGETOWN

Students from four local schools participated in the annual Blessing of the Roads at Bridgetown's Memorial Park ahead of the Easter break and school holiday period.

Speakers at the event were Roadwise Chairperson Joann Moore, Department of Fire and Emergency Services representative Peter Thomas and local Police representative Sergeant Phil Nation.

Students from the four schools, including Amity Russell and Josh Scovell (*pictured*) from Greenbushes, then presented road safety related messages before planting symbolic crosses in the garden at the Memorial Park.

## BALINGUP PATCHWORK AND CRAFT GROUP EXHIBITION

On Saturday 22<sup>nd</sup> April, the Balingup Patches & Craft group held their annual Quilt and Craft exhibition and although small, with about 45 pieces on display, it was simply fantastic with the variety of design, techniques, colour, skills and styles. It was a mark of the way quilting has broadened its horizons with both antique design next to modern design. There was some amazing embroidery with handmade lace and three pieces of Rag rugging which is an ancient craft of rug making.

On offer were Devonshire Teas with the delicious scones made by Wendy Wishart and Lori Stevens and local Berry Jam from Ellendale Farm, mmm.

Each year there is a Viewer's Choice award which is chosen by our Visitors and this went to Yvette Buxton for her Panama Pyramids, made up of tiny pieces of fabric in a kaleidoscope of carefully selected colours put together to form a pattern of pyramids. The *Snapshot Challenge* sponsored by Sew Gentle Era of Bridgetown was won by Vicky Henderson for her Oceans Alive.

Each year the ladies of the group design and make a quilt which is then raffled off at the Exhibition. This year the raffle quilt "Rhapsody in Colour" was created with tuition by Tina Hawter. Winner of the quilt was Betty Brady.

Balingup Patches & Craft meet on Thursdays at the Balingup Rec centre and welcome Visitors and new members. Come along and enjoy some great company and a cuppa....*Vicky Henderson.*

# Blackwood Basin Group Update

*The Priority Bittern and Waterbird Biodiversity Enhancement Project*, coordinated by the Blackwood Basin Group (BBG), has continued to make progress with lots of action at the Spring Gully Road site. The four year project, funded by the Australian Government, aims to create a wetland haven at Schwenke's Dam, Greenbushes, to attract critically endangered waterbirds.

## Open Day

Our 4 year project is coming to an end, and now is the time to celebrate everything we have achieved in that time. Our volunteers, our project partners, and everyone in the community have been involved over the years and have been with us along the journey so this is the chance to get together and see what we've created.

Our open day will be a chance to see the results of all this love and effort and also to check out our new boardwalk so keep the date free for Saturday 10<sup>th</sup> June. There will be talks about the project, information on the native wildlife and plants, Josh from Koomal Dreaming will be back, and there will be more added to the agenda as we go along. Keep your eye out for the posters soon to be put up around town and on our Facebook page and website.

## Kearnan Student Excursion

Every year Kearnan College students come out to Schwenke's to be trained in rehabilitation techniques and wetland management.

This year was no exception with these wonderful students enthusiastically making the wetland their domain for the morning. Andy Russell from Ribbons of Blue and The Warren Catchment Council organised the day and Margaret Jakobson from the Blackwood Basin Group taught them how to monitor the macroinvertebrates and do a quick site assessment.

Our wetlands are in good hands in the future!

## New Walk Signs

New path signs have been added to the path between Schwenke's and Greenbushes Pool and between the end of the new boardwalk and the loop path.

This means you can walk between the pool and Schwenke's then do a turn around the wetland before heading back to the pool again.

Keep an eye out for the new signs with the Bittern logo on them.

## Great Cocky Count

With counters at both Schwenke's and Dumpling Gully, the BBG took part in this year's Great Cocky Count again showing an increase in Red Tailed Black Cockatoo numbers from last year. ## Felicity Littleton's Plant of the Month - *Astroloma drummondii*

Once belonging to the EPACRIDACEAE Family, this small often overlooked plant has now been placed in the ERICACEAE Family. This is due to the fact that the plants are known as the 'Southern Heaths' and are closely related to the Northern Hemisphere Heaths.

*Astroloma drummondii* is a low prostrate shrub with pretty little red tubular flowers.

The leaves are quite prickly – a similarity to many others in this Family. According to publications, it can grow from 5cms to 50 cms in Height. I personally have not seen one at 50 cms. The specimens in this district are between 20- 30 cms tall.

It seems to like sandy to gravelly soils and flowers between February and July.

## Get Involved

Community engagement is key to the success of this project. We are on Facebook and are keeping our followers up to date with photos and posts of our activities! Like the Blackwood Basin Group's Facebook page today for updates on programs and workshops running in your local area in the coming months. ## BLACKWOOD BASIN GROUP DONATES TO GREENBUSHES COMMUNITY GARDEN

The Blackwood Basin Group has donated \$2,000 to the Greenbushes Community Garden.

Chairperson Per Christensen and Project Officer Margaret Jakobson attended the garden recently to present the cheque as a thankyou for support provided for the Waterbird Project at Schwenke's Dam.

The BBG has worked from an office at the Community Garden for the past four years while carrying out the Commonwealth Government Funded biodiversity Waterbird project.

Greenbushes Community Garden group members Jacqueline Lahne, Edna Fryer, Rick Fryer, Felicity Littleton, Andy Hardy, Tracy Lansdell and Pat Scallan were pleased to receive a funding boost from the BBG's Per Christensen (second from right) and Margaret Jakobson (back row second from left).

If you drink a 600ml bottle of soft drink each day for a year you will drink 23 kilos of sugar...

## Accessing Your Community

Senior residents (aged 60 and over) in the Shire of Bridgetown-Greenbushes are invited to a free Community Morning Tea in Greenbushes on May 24<sup>th</sup>, hosted by the local Access and Inclusion Committee.

The council has an active interest in ensuring all members of the community have equal opportunity to be involved in every aspect of life in the Shire and the morning tea is aimed at providing residents the opportunity to meet and share information with councillors, Shire Officers and the committee members.

They understand that inclusivity means providing “universal access”. Universal access is a term that relates to more than accessing a facility, it also relates to accessing services, information and being part of the community.

Council's focus is on ensuring that residents and visitors within all towns and settlements of the Shire are welcomed and included in events, facilities, services and civic life. This vision and commitment is reflected in the Strategic Community Plan, Age Friendly Communities Plan, Youth Plan and Disability Access and Inclusion Plan. Council's strategic plans can be viewed on the Shire website [www.bridgetown.wa.gov.au](http://www.bridgetown.wa.gov.au).

Council also invests in access and inclusion by supporting the Access and Inclusion Advisory Committee which advises Council on the issues affecting residents and the implementation of relevant community strategies and activities. This Committee is a direct link between residents and Council in relation to access and inclusion matters and is made up of service agency representatives and community members.

The Access and Inclusion Committee will host two community morning teas a year for residents over the age of 60 or over the age of 50 if you have a disability.

The **Free** Community Morning Tea sponsored by the Shire of Bridgetown Greenbushes will be held at Tasty Edibles in Greenbushes on 24<sup>th</sup> May between 10am and 11.30am.

For more information please call Megan or Bec on 9761 1555.

### Contact Group

The Access and Inclusion Advisory Committee have started a Shire of Bridgetown-Greenbushes email contact group for people over 60. The Contact Group facilitates two-way communications between members of the community and the Shire of Bridgetown-Greenbushes. This group ensures community members stay in touch and up to date with what is happening in the shire. Members of the contact group will receive information on up and coming events and current issues.

Please contact Megan Richards on 9761 1555 to have your name and email included on the contact group.
