GREENBUSHES AND BALINGUP CYCLE STAGE FINISHES

Greenbushes and Balingup will be centre stage when 720 riders from the Tour of Margaret River Road Cycle Pro Am come to town for Stage finishes on Saturday November 11 and Sunday November 12.

It will be like one big street party in Greenbushes on **November 11** with **Blues Band Nineteen Twenty** performing in the lead up to the riders crossing the finish line near the District Hall on Blackwood Road. The free event which kicks off about 9:30am will also feature a range of market stalls on the oval at Thomson Park selling tasty food and drinks.

Everyone is welcome to go along and join in the fun at this free event.

As part of the event, Maranup Ford Road between the intersection of Stanifer Street and the Bridgetown Nannup Highway will be closed to traffic between 9:30am and 11:00am on Saturday November 11.

So find a vantage point to watch the race or muster at the finish line on Blackwood Road where the riders are expected to start arriving anytime after 9:30am. Bikes will continue streaming in until about 11am when the presentations will be held on stage at the finish line.

Then on Sunday November 12 the fun continues at Balingup with a Stage finish at the top of the Balingup Heights hill around lunchtime. The cyclists will then make their way down the village green to mingle and enjoy some time out before the commencement of the final stage back to Nannup in the early afternoon.

The Balingup Village Green will be alive with stalls and there will be a medieval flavour to the day's proceedings.

For more information go to the Tour of Margaret River website. Posters and further information will be distributed closer to the event. See inside this edition for the Greenbushes road closure maps.

AUSTRALIA DAY NOMINATIONS OPEN

The nomination process for the Australia Day Awards changed in 2016 with nominations now being made on-line at the Australia Day website: http://www.citizenshipawards.com.au/nominate/.

The Australia Day Awards recognise and reward individuals and organisations for making a notable contribution during the current year, and/or to those who have given outstanding service over a number of years. Outstanding contribution and community service includes areas such as; education, health, fund-raising, charitable and voluntary services, business, sport, arts, the environment or any other area that contributes to the advancement and wellbeing of the community.

The criteria will remain the same as last year with the four categories being:

- Citizen of the Year
- Citizen of the Year Youth (under 25yrs)
- Citizen of the Year Senior (over 65 years)
- Active Citizenship Group or Event

If you know of a local 'hero', a group or an event you may consider nominating them for the 2018 local Australia Day Awards. Nominations opened on 1 September and close on Tuesday, 31 October.

All nominations received will then be emailed to Council to allow Councillors to make their decisions on the winners at their November council meeting.

State Awards

Greenbushes Tidy Towns Committee representatives will attend the State Awards in Perth on Friday, 20 October.

Greenbushes is a Finalist in the Environmental Sustainability Category for 2017.

The project highlighted under this category is the "Priority Bittern & Waterbird Project" at Schwenke's Dam, which has seen the development of a wetland to encourage the endangered Bittern waterbirds to this region.

A partnership between the Blackwood Basin Group and Talison Lithium has seen this project develop over the past four years.

MINE NEWS with Steve Green

The Talison Lithium Expansion Project is progressing well with works continuing on piling.

The Mine Open Day provided an opportunity for members of our community to see the project first hand and to also view the mining machines and Chemical Grade Processing facility. See below for a current photo of the C3 pit.

The site bid a fond farewell to Bill Cornell in September. Bill has been a long time employee with 40 years of service to the Greenbushes Operations. We wish Bill and Bev all the best for the retirement and trust they will get out and enjoy some quality time and well earned recreation. Bill is pictured here at his farewell barbecue with Maintenance Coordinator-Infrastructure Matt Boyle.

We also extend a warm welcome to our new Manager Mining Matt Rowett who commenced his role in September.

The last of the meetings for this council has come and gone with a new council being elected at the end of the month. Unfortunately there were no new hands put up for the North Ward so you will be stuck with me for another term. It will be good to get some new blood on council as fresh ideas and looking at things from a different perspective is always good. Have a think about putting your hand up next time around.

The Shire and a working party is very busy working through the sesquicentennial (150 years) celebration programme for Bridgetown next year so if you do have any ideas please let someone on the committee know or I can pass them through.

There has been a few issues with hoons in town lately and the only way for us as a town to get on top of it is to report them to the police. If you don't want to get too involved please let me know the details and I am more than happy to follow up.

The police are very willing to do something about it but they can't be here 24/7 so please let them know when something is happening or get me the details particularly the vehicle details and rego..... and driver if you can!

There are also a few motorbikes hooning up and down the town streets, some of the alley ways and also on some of the walk trails (some of which are signposted for walkers only) including the board walk at the pool.

The Greenie Pool has been developed by the locals in town and we don't want it to be destroyed by irresponsible selfish individuals who expect the rest of the world to clean up and fix up after them!

Spring is here (occasionally) so its time again to think about your fire prevention and emergency plan...Is your property fire ready and are you and your family prepared to leave or fight the fire if one eventuates?

The Department of Biodiversity, Conservation and Attractions (previously Parks and Wildlife) is planning a prescribed burn of the bush block north of Greenbushes-Grimwade Road, east of the South Western Highway, south of DaRonch's Road and west of North Greenbushes and the railway line this spring.

There are lots of activities happening in and around town over the next few months such as the Tour de Margaret River which finishes one of its stages in Greenbushes....we are supplying lunch for them and the support crew. Come and support by waving on the finishers...ring bells or just make a noise. There will be some Blues music at the finish, (which is at the hall), with market Stalls and food available. If you want to help please give me a call as volunteers are always needed.

Remembrance Day this year is going to be held on Friday 10th November at 10:45am as we have the Tour de Margaret River finishing their event on the 11th around that time.

Reduce, Reuse and Recycle

The Greenbushes C.R.C. has joined the Nespresso recycling system to help reduce the impact of waste and ensure aluminium coffee pods are recycled.

Aluminium capsules recycled with Nespresso are sent off to a specialist recycling plant where the aluminium is separated from the residual coffee. The coffee is then sent to a composting facility to be transformed into compost, while the aluminium is recycled into new aluminium products.

GREENBUSHES COMMUNITY SHED

The Greenbushes Community Shed, after a year of planning and development, is now ready to open the doors to a facility that will enhance craft skills, achieve creative ambitions and contribute positively to the health of our community.

Special thanks must go out to our very dedicated committee members who have worked tirelessly on the project, organising, building, cladding, purchasing, fundraising and the many other contributions that go into making a project successful. Thanks also to all our volunteers and to the community groups for donations and contributions - it all helps.

Membership will be offered from the date of our opening for any member of the community over 18 years of age, male or female, wishing to join. There will be two, men only days during the week, with an alternate day open to anyone wishing to complete projects or women wanting to learn new skills.

Our latest fundraiser was a cake raffle, with the cake

kindly decorated and donated by Karen Dudfield, a valued volunteer at our Centre.

The raffle has been drawn and the winner was none other than Angie Cornish the Coordinator with ticket # 001!

All funds raised are for Shed materials.

GREENBUSHES PRIMARY SCHOOL & COMMUNITY SHED

Earlier this year the Greenbushes Primary School students, incorporated in their curriculum, the design of a logo for our Greenbushes Community Shed. Students used their knowledge of logos, computer programs, art and design techniques to produce some very creative designs. Eventually, with some additional suggestions from our Shed Committee, the final design was decided upon.

As a reward for their hard work the students were treated to an Inflatable Sports afternoon, sponsored by the CRC and a sausage sizzle, sponsored by the P & C. Students were able to experience inflatable hockey, twister and basket ball activities, all aimed at establishing team building, coordination and fitness, delivered in a safe environment for primary school aged children.

It has been a rewarding experience for the CRC to coordinate the development of these events, and watch the collaboration between groups in achieving a satisfying outcome for a new community group.

In 2015 The Greenbushes Community Resource Centre received grant funding through the South West Development Commission for the purpose of developing a software package to match seniors or those with disabilities, with local volunteers, by helping them remain in their own homes for longer. By offering a low cost option for all the small jobs, which are often too difficult to complete without some form of help or assistance, our newly developed software package will help match those in need with those willing to contribute their time in helping with odd jobs.

The software package is now complete, with both an on-line and off-line version, the system has been trialled, audited and is now ready to implement within our community.

If you hold a senior or disability card and require help with small jobs around the home or garden, or if you are still active within our community and have time to volunteer, then please contact the CRC on 9764 3575 and your information will be added to our data base and skill sets matched with jobs which may need completing in the future.

Volunteering is a satisfying and rewarding way of contributing to our society.

Jobs you may find difficulty doing around the home or garden.

- ⇒ Pruning, weeding
- ⇒ Lawn mowing
- ⇒ Hanging pictures
- ⇒ Repairs to fly screen
- ⇒ Curtain or blind poles
- ⇒ Repair to clothes line
- \Rightarrow Changing batteries
- ⇒ General garden maintenance
- ⇒ Moving furniture
- ⇒ Assembling flat packs
- ⇒ Sewing buttons
- ⇒ Minor clothing alterations
- ⇒ Computer support

GROW GREENBUSHES NEWS

Greg Duff, the Operations Manager at Auswest Timbers, gave this update to the September meeting of Grow Greenbushes:

- Consolidation of our operations onto the Greenbushes site has progressed well since the beginning of the year.
 Greenbushes is our sole production site. We continue to also dispatch remaining product off our Pemberton and Manjimup sites.
- Although domestic WA market conditions are challenging, we have been selling good volumes of timber into other states and overseas.
- We have been working on noise management, and this has included design changes to some waste block conveyors and also walling in a part of our Greenmill.
- Our current major project is the Large Log Line. This is essentially a second sawmill specifically designed to process bigger
 logs and produce high value big section products. Project construction is running on-time and to budget. Installation will be
 complete this month and commissioning will be occurring Sept/Oct.
- We will ramp up capacity on this new line, and within several months our intent will be to transfer one of our existing shifts to the new line. This will mean dayshift only in the Greenmill (currently day and night shift Monday to Thursday).
- As you might have seen in the local paper, we are seeking timber stackers and plant operators to help us fill current positions and those on the new line. If you have friends or family that are interested, please get them to come in and grab an application form! All applicants keen to work hard and be a reliable team member will be considered.

Greg has been invited to attend our November 2nd meeting in person to provide an update of the progress of the Large Log Line commissioning.

Congratulations to the Tidy Town Committee for being a finalist in the Environmental Sustainability category of the Keep Australia Beautiful Tidy Towns Sustainable Communities Awards.

A big thankyou to everyone who has contributed to keeping Greenbushes great!

Greenbushes Primary School Update

BLOOMING WILD PHOTOGRAPHY

As part of the 2017 Blooming Wild Festival, senior students at the Greenbushes Primary School had the opportunity to learn some photography skills in particular getting a good image of wildflowers.

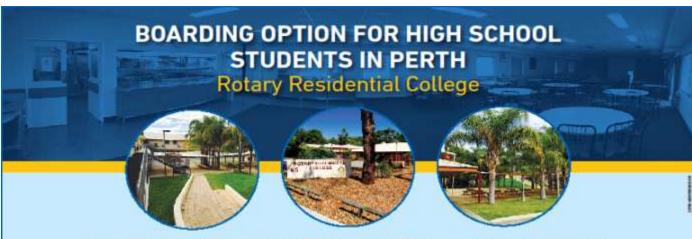

The students attended workshops at the Greenbushes Community Resource Centre with photographer Phillip Williams (pictured with students and organiser from the Blooming Wild Festival group Christine King).

The workshops were carried out with students from schools in Balingup, Bridgetown and Greenbushes and an exhibition of the work will be held soon.

To find out more contact the Greenbushes Community Resource Centre.

The Blooming Wild Festival continues through until November . See the advert inside this edition of the newsletter to find out more details about other events being organised as part of the programme.

The Blooming Wild events are funded through the South West Development Commission, Lotterywest and the Shires of Bridgetown-Greenbushes, Manjimup, Boyup Brook and Donnybrook-Balingup.

Greenbushes Primary School Update

Greenbushes Primary School hosted a fond farewell to long serving teacher Rose Fullston upon her retirement in September 2017.

Rose spent many years teaching at Greenbushes and has inspired so many of our youngsters to think creatively and learn many skills which they will carry with them for life.

The school community and other Greenbushes residents joined Rose for a farewell dinner at the Shamrock Hotel where people paid tribute to her dedication and commitment to Greenbushes and its future generations.

Best wishes for your retirement Rose.

COMMUNITY GARDEN NEWS

Our **Spider workshop** with Queensland honorary researcher and author Robert Whyte was a thrilling morning out for all ages. Robert is visiting the area as part of the Blooming Wild Festival to celebrate his newly released book 'A field

Guide to Spiders of Australia' with the CSIRO. The workshop was for all ages and Robert chatted to us about the making of his book, the important role of spiders in our ecosystems, common ones in our area, how to safely catch and identify spiders, and much more. Robert's aim is to alleviate people's fear of these fascinating creatures. The workshop was during school holidays on Wednesday October 4th from 10am to 12pm and attracted 35 participants. A small morning tea was provided and Robert's book was for sale on the day.

We are organising a bus tour to Margaret River's Fair Harvest property. Fair Harvest was established in 1995 and is a thriving permaculture farm. Their aim is to inspire and enable people to grow their own produce and be more sustainable. The Fair Harvest gardens have organic veggie gardens, fruit orchards, poultry,

composting systems and more. Their café is only open for a few months of the year and we will be treated to a 2 course lunch with ingredients picked fresh from their garden, followed by a 1 hour guided tour of their property. The bus trip is planned for Thursday the 26th of October and will cost \$30 per person for lunch. If you would like to come along please call Tracy asap to book your spot on the bus – 0400 976 434.

Coming up on November 4th is **our 8th Birthday Celebrations**. We'll be having a family fun morning with birthday cake, seed bomb making, face painting, succulents in a pot workshop and more. Hope to see you there to help us celebrate. This is also the weekend our garden is participating in the Festival of Country Gardens Spring Open Garden Scheme.

We need your help. Our busy bees have become a little light on helpers. The garden is a wonderful new asset to our community and like all gardens it needs a certain level of maintenance to help it keep looking its best. If you're happy to help out but can't make it to the scheduled 3rd Saturday morning of the month busy bees, please feel free to contact me for some guidance of how you may be able to help. Thanks. Happy Gardening.

Working with regional communities to create a better future for families, businesses and towns.

Congratulations to Manjimup Saleyards

Congratulations to the team of locals who 10 years ago bought the Manjimup Saleyards to ensure this facility remained open for livestock sales. The 10 year anniversary event (13 Sept) included a well-attended cattle sale followed by a friendly BBQ. It was great to catch up with so many local farmers and celebrate this achievement.

Official opening of renovated Augusta St John Ambulance subcentre

I extend huge congratulations to the Augusta St John Ambulance sub-centre on the opening of their extended and renovated building on 16th September. This \$619,000 project was entirely self funded and is a real credit to the volunteers and community. The project has taken into consideration the future needs of the town and is a real asset to the region.

State Budget—What does it mean for Warren-Blackwood?

Handing down its first Budget, the McGowan Government has confirmed Royalties for Regions will be raided to help pay for \$5billion worth of election commitments. Instead of continuing to transform regional communities, Royalties for Regions will now pay for essential government services. The full impact of these program changes will be felt by regional families and communities in the near future.

We may be in Opposition, but we'll be working hard to make sure the issues that are important to you are front and centre. We won't allow the McGowan Government to forget the people who generate the wealth of this State.

Here is a snapshot of the good and bad news for the electorate of Warren-Blackwood.

GREENBUSHES BELLES NEWS

The Greenbushes Belles have been busy just lately.

Several of our members attended the State Conference in July where we showed off our new Greenbushes Belles flag – proudly modelled by Didith. The conference was very rewarding and demonstrated the collective power of a group of women doing positive things for communities all over the state.

Our recent Chill 'n' Chat session on making kokedamas was very well attended and enjoyed by all. Stay tuned for more fun sessions coming up.

The Belles have some busy times coming up volunteering at the Bridgetown Blues and running cake stalls at Linga Longa and the Tour of Margaret River. Anyone who can help us out with providing ingredients, baking or assisting on the stalls would be very welcome. Please contact Ann on 0428 922 069. Donations of:

OPPORTUNITY TO COMMENT DRAFT LOCAL TRAILS PLAN 2017 – 2022

Council has prepared a draft *Local Trails Plan 2017 – 2022* which will provide strategic direction to assist with Council's decision making in relation to service delivery for young people in the community.

Council seeks community feedback on the draft *Local Trails Plan 2017 –2022* prior to considering its formal adoption.

Copies of the draft document can be obtained from the Shire library or on the Shire's website www.bridgetown.wa.gov.au

Public submissions on this proposal should be made in writing and addressed to the CEO, Shire of Bridgetown-Greenbushes, PO Box 271, Bridgetown, WA, 6255 and be received no later than **4pm Friday**, **20 October 2017**.

All relevant queries can be directed to the Grant & Services Manager, Megan Richards, on 97611555 or via email to mrichards@bridgetown.wa.gov.au.
